Casino Group: Amazon and Monoprix join forces to innovate on behalf of Prime Now customers

*Monoprix great selection will be available for Prime Now customers
Service will be launching this year*

Amazon and Monoprix today announced they are joining forces to bring grocery items sourced from Monoprix to Prime Now service customers in Paris and its neighborhood this year. Grocery items sourced from Monoprix will be available in the Prime Now app and web site through a dedicated virtual store.

More than a banner, Monoprix is a brand with a unique positioning, notably providing a wide and innovative grocery offering, that is gourmet and creative. Thanks to this collaboration Amazon Prime Now customers will be able to access thousands of grocery items sourced from Monoprix: store brand (including Monoprix, Monoprix Gourmet, Monoprix Bio, La Beauté Monoprix), fresh products, exclusivities, etc.

Jean-Charles NAOURI – Chairman and CEO of Casino Group states:

« Thanks to this unique partnership between Amazon and Monoprix, Casino Group reinforces its omni channel distribution strategy and gets even closer to its customers and their needs. This commercial partnership is a new milestone in Casino Group strategy to innovate ever more for tomorrow's urban commerce. »

Frédéric DUVAL – Country Manager, Amazon.fr underlines:

« This commercial partnership, which further enlarges Prime Now service selection, will enable Amazon Prime customers to benefit from ultra-fast deliveries for their Monoprix orders. »

Régis SCHULTZ – Chairman of Monoprix adds:

« Monoprix further differentiates and increases its unique position as urban omni channel leader. Monoprix will benefit from the most comprehensive grocery delivery service in Paris. »

All Prime members can immediately download the Prime Now app, available on iOS and Android devices, or visit www.primenow.fr to find eligible delivery postcodes, place orders and track the status of their delivery in real time or request notification when the service is available in their area.
