Under the Euro Medium Term Note Programme described in this Base Prospectus (the “**Programme**”), Casino, Guichard-Perrachon (the “**Issuer**” or “**Casino**”), subject to compliance with all relevant laws, regulations and directives, may from time to time issue Euro Medium Term Notes (the “**Notes**”). The aggregate nominal amount of Notes outstanding will not at any time exceed Euro 9,000,000,000 (or the equivalent in other currencies).

This Base Prospectus shall be in force for a period of one year as of the date set out hereunder.

Application has been made to the *Commission de surveillance du secteur financier* (“**CSSF**”) in its capacity as competent authority in Luxembourg under the *loi relative aux prospectus pour valeurs mobilières* dated 10 July 2005, as amended (the “**Prospectus Act 2005**”) for the approval of this document as a base prospectus for the purposes of Article 5.4 of the Prospectus Directive. In accordance with article 7(7) of the Prospectus Act 2005, the CSSF shall give no undertaking as to the economical and financial soundness of the operation or the quality or solvency of the Issuer by approving this Base Prospectus.

Application may be made for a period of twelve (12) months from the date of this Base Prospectus (i) to the Luxembourg Stock Exchange for the Notes issued under the Programme to be admitted to trading on the Luxembourg Stock Exchange's regulated market and to be listed on the official list of the Luxembourg Stock Exchange and/or (ii) to the competent authority of any other Member State of the European Economic Area (“**EEA**”) for Notes issued under the Programme to be listed and admitted to trading on an EEA Regulated Market (as defined below) in such Member State. However, Notes issued under the Programme may be unlisted and/or not admitted to trading on any market including an EEA Regulated Market. The relevant final terms (the “**Final Terms**”) (a form of which is contained herein) in respect of the issue of any Notes will specify whether or not such Notes will be listed and admitted to trading and, if so, the relevant EEA Regulated Market.

The Luxembourg Stock Exchange is a regulated market for the purposes of the Markets in Financial Instruments Directive 2004/39/EC, appearing on the list of regulated markets issued by the European Commission (an “**EEA Regulated Market**”).

References in this Base Prospectus to the “**Prospectus Directive**” are to the Directive 2003/71/EC of 4 November 2003 on the prospectus to be published when securities are offered to the public or admitted to trading and shall include the amendments made by Directive 2010/73/EU (the “**2010 PD Amending Directive**”) to the extent that such amendments have been implemented in the relevant Member State of the EEA.

Notes may be issued either in dematerialised form (“**Dematerialised Notes**”) or in materialised form (“**Materialised Notes**”) as more fully described herein.

Dematerialised Notes will at all times be in book entry form in compliance with Articles L.211-3 and R.211-1 of the French *Code monétaire et financier*. No physical documents of title will be issued in respect of the Dematerialised Notes.

Dematerialised Notes may, at the option of the Issuer, be in bearer dematerialised form (*au porteur*) inscribed as from the issue date in the books of Euroclear France (“**Euroclear France**”) (acting as central depository) which shall credit the accounts of Account Holders (as defined in “Terms and Conditions of the Notes - Form, Denomination, Title and Redenomination”) including Euroclear Bank S.A./N.V. (“**Euroclear**”) and the depository bank for Clearstream Banking, société anonyme (“**Clearstream, Luxembourg**”) or in registered dematerialised form (*au nominatif*) and, in such latter case, at the option of the relevant Noteholder (as defined in Condition 1(c)(iv)), in either fully registered form (*nominatif pur*), in which case they will be inscribed either with the Issuer or with the registration agent (designated in the relevant Final Terms) for the Issuer, or in administered registered form (*nominatif administré*) in which case they will be inscribed in the accounts of the Account Holders designated by the relevant Noteholders.

Materialised Notes will be in bearer materialised form only and may only be issued outside France. A temporary global certificate in bearer form without interest coupons attached (a “**Temporary Global Certificate**”) will initially be issued in connection with Materialised Notes. Such Temporary Global Certificate will be exchanged for definitive Materialised Notes in bearer form with, where applicable, coupons for interest attached on or after a date expected to be on or about the 40th day after the issue date of the Notes (subject to postponement as described in “Temporary Global Certificates issued in respect of Materialised Notes”) upon certification as to non U.S. beneficial ownership as more fully described herein.

Temporary Global Certificates will (a) in the case of a Tranche intended to be cleared through Euroclear and/or Clearstream, Luxembourg, be deposited on the issue date with a common depository on behalf of Euroclear and/or Clearstream, Luxembourg and (b) in the case of a Tranche intended to be cleared through a clearing system other than or in addition to Euroclear and/or Clearstream, Luxembourg or delivered outside a clearing system, be deposited as agreed between the Issuer and the relevant Dealer (as defined below).

As at the date of this Base Prospectus, the Issuer has a long-term debt rating of BBB- by Standard & Poor's Ratings Services (“**S&P**”) and BBB- by Fitch Ratings (“**Fitch**”) and a short-term debt rating of A-3 by S&P and F3 by Fitch. Unless otherwise specified in the relevant Final Terms, Notes to be issued under the Programme with a maturity of 12 months or more will be rated BBB- by S&P and BBB- by Fitch. Unless otherwise specified in the relevant Final Terms, Notes to be issued under the Programme having a maturity of less than 12 months will be rated A-3 by S&P and F3 by Fitch. As of the date of this Base Prospectus, S&P and Fitch are established in the European Union and registered under Regulation (EC) No. 1060/2009 on credit ratings agencies, as amended (the “**CRA Regulation**”) and are included in the list of credit rating agencies registered in accordance with the CRA Regulation published on the European Securities and Markets Authority's website (www.esma.europa.eu/page/List-registered-and-certified-CRAs). The relevant Final Terms will specify whether or not such credit ratings are issued by a credit rating agency established in the European Union and registered under the CRA Regulation. Credit ratings are subject to revision, suspension or withdrawal at any time by the relevant rating organisation. Where an issue of Notes is rated, its rating will not necessarily be the same as the rating assigned to Notes issued under the Programme. A rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, change or withdrawal at any time by the assigning rating agency.

The Final Terms of the relevant Notes will be determined at the time of the offering of each Tranche and will be set out in the relevant Final Terms.

In connection with the issue of any Tranche (as defined in “General Description of the Programme”), one of the Dealers may act as a stabilising manager(s) (the “Stabilising Manager(s)”). The identity of the Stabilising Manager will be disclosed in the relevant Final Terms.

The Stabilising Manager(s) (or persons acting on behalf of any Stabilising Manager(s)) in the applicable Final Terms may over-allot Notes or effect transactions with a view to supporting the market price of the Notes at a level higher than that which might otherwise prevail. However, there is no assurance that the Stabilising Agent will undertake stabilisation action. Any stabilisation action may begin on or after the date on which adequate public disclosure of the final terms of the offer of the relevant Tranche of Notes is made and, if begun, may be ended at any time, but it must end no later than the earlier of 30 days after the issue date of the relevant Tranche of Notes and 60 days after the date of the allotment of the relevant Tranche of Notes. Any stabilisation action or over-allotment shall be conducted by the relevant Stabilising Manager(s) (or person(s) acting on behalf of any Stabilising Manager(s)) in accordance with applicable laws and rules.

RISK FACTORS

RISK FACTORS RELATING TO THE ISSUER

The Issuer believes that the following factors may affect its ability to fulfil its obligations under Notes issued under the Programme. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring. The risk factors may relate to the Issuer or any of its subsidiaries.

In addition, factors which are material for the purpose of assessing the market risks associated with Notes issued under the Programme are also described below.

The Issuer believes that the factors described below represent the principal risks inherent in investing in Notes issued under the Programme, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons and the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive. The risks described below are not the only risks the Issuer faces. Additional risks and uncertainties not currently known to the Issuer or that it currently believes to be immaterial could also have a material impact on its business operations. Prospective investors should also read the detailed information set out elsewhere or incorporated by reference in this Base Prospectus and the Final Terms of the relevant Notes and reach their own views prior to making any investment decision. In particular, investors should make their own assessment as to the risks associated with the Notes prior to investing in Notes issued under the Programme.

Subject to the above provisions, the Group has reviewed the main risks that could have a material impact on its operations, financial position or results. These risks are described below.

MARKET RISKS

The Group has set up an organisation to oversee its financial risks (liquidity, currency and interest rate risks) and where appropriate manage them on a centralised basis. The Corporate Finance Department, which reports to the Group Chief Financial Officer, is responsible for managing these risks and has the necessary expertise and tools to fulfil this task. The Corporate Finance Department operates on the main financial markets according to guidelines that guarantee the highest levels of efficiency and security. A regular reporting system has been set up, allowing Group management to sign off on the policies followed, which are based on strategies approved in advance by management.

Interest rate risk

Detailed information about interest rate risk is provided in note 32 to the consolidated financial statements included in the 2012 Annual Report (as defined under the section “Documents Incorporated by Reference” herein). The Casino Group uses various financial instruments (particularly swaps) to manage interest rate risk. These instruments are used solely for hedging purposes. Details of hedging positions are provided in note 32 to the consolidated financial statements included in the 2012 Annual Report.

Currency risk

Information about currency risk is provided in notes 32 and 32.2.2 to the consolidated financial statements included in the 2012 Annual Report. The Casino Group uses various financial

instruments to manage currency risks, particularly swaps and forward purchases and sales of foreign currencies. These instruments are used solely for hedging purposes.

Liquidity risk

The breakdown of debt and confirmed lines of credit by maturity and currency is provided in note 32.4 to the consolidated financial statements included in the 2012 Annual Report, together with additional information concerning debt covenants which, if breached, would trigger early repayment obligations.

The Group's liquidity position appears to be very satisfactory. Upcoming repayments of short-term financial liabilities and seasonal working capital requirements are comfortably covered by cash, cash equivalents and undrawn confirmed bank lines.

The Group's policy is to continuously monitor and forecast its liquidity position in order to ensure that it always has sufficient liquid assets to settle its liabilities as they fall due, in either normal or impaired market conditions.

The Group's cash and cash equivalents present no liquidity or value risk.

Its loan and bond agreements issues include the customary covenants and default clauses, including *pari passu*, negative pledge and cross-default clauses.

Casino, Guichard-Perrachon's bond issues on the euro market and its commercial paper programmes do not include any covenants related to financial ratios. Most of the Group's other loan agreements contain financial covenants and mainly concern subsidiaries in France, Brazil and Thailand.

In the event of a change of control of Casino, Guichard-Perrachon (within the meaning of article L.233-3 of the French Commercial Code, *Code de commerce*, most loan agreements include an option for the lenders, at the discretion of each, to request immediate repayment of all sums due and, where applicable, the cancellation of any credit commitments entered into with the Company.

In addition, some bond issues made by Casino, Guichard-Perrachon contain an acceleration clause at the investors' discretion should its long-term senior debt rating be downgraded to non-investment grade due to a change of majority shareholder.

The loan agreements do not give the lenders the option to accelerate repayment if the Group's credit ratings are downgraded.

Commodity risk

Given the nature of its business, the Company is not exposed to any material commodity risk.

Equity risk

Information relating to equity risk is detailed in note 32.5 to the consolidated financial statements included in the 2012 Annual Report.

The Group uses equity derivative instruments (total return swap, forward, call) aiming at building synthetically an economic exposure to listed shares of its subsidiaries (see note 8.2 to the consolidated financial statements included in the 2012 Annual Report).

The Group does not hold significant financial investments in listed companies other than its subsidiaries or treasury shares and does not invest, in its current cash management policy, in monetary instruments subject to equity risk.

Credit and counterparty risk

The Group is exposed to customer credit risks through its consumer finance subsidiary, Banque du Groupe Casino. These risks are measured by a specialist service provider using credit-scoring techniques. Further information on credit and counterparty risk is provided in note 32.3 to the consolidated financial statements included in the 2012 Annual Report. Part of the Group's supermarkets and convenience stores are operated by affiliates or franchisees. The credit risk relating to these affiliates and franchisees is assessed by the Group on a case-by-case basis and taken into account in its credit management policy, mainly by taking collateral or guarantees.

OPERATIONAL RISKS

Risks related to non-renewal of leases and real estate assets

Casino has standard commercial leases on its supermarket and convenience store premises but has no assurance that they will be renewed on expiry.

The owners could have other plans for the premises on expiry of the lease, which could prompt them not to renew the Company's lease despite the high amount of compensation for eviction they would have to pay. However, commercial leases are governed by strict legislation as regards term, termination, renewal and rent indexation, which limits what owners can impose.

Given the very few disputes caused by non-renewal of commercial leases, the risk is not considered to be in any way material.

As regards property development, where the Group is the project owner, specifications are drawn up by experts in accordance with the prevailing regulations and the functional and operational objectives set for each project.

More generally, the Group's real estate portfolio is monitored regularly to ensure its proper use.

Risks associated with sales methods

The Group's banners in France have affiliate and franchise networks. These represented almost 59% of sales outlets at 31 December 2012, corresponding mainly to supermarket networks (including Leader Price) and convenience store networks.

The credit risk on these convenience store affiliates and franchises is taken into account in the Group's credit management policy.

Risks related to trademarks and banners

The Group owns substantially all of its trademarks and is not dependent on any specific patents or licences, except for the Spar trademark which is licensed to the Group for the French market. The licence was renewed for ten years in 2009.

Furthermore, although the Group has a preventive policy of protecting all its trademarks, it does not believe that an infringement would have a material impact on its operations or results.

Supplier and merchandise management risk

The Group is not dependent on any specific supply, manufacturing or sales contracts. Casino deals with over 30,000 suppliers.

For example, the Group has its own logistics network in France (approximately 899,000 sq.m. currently spread among 19 sites) managed by its Easydis subsidiary. The network spans the entire country and delivers regularly to the Group's various banners, with the exception of Monoprix and Franprix-Leader Price which have their own logistics network.

Risks related to private-label goods

As a private-label retailer in the market, the Group sells products under its own brand and can therefore be considered as a producer/manufacturer. It draws up stringent specifications in terms of nutritional quality and quality standards for its product ingredients. However, it is nonetheless exposed to a product liability risk.

Information systems risk

The Group is increasingly dependent on shared information systems for the production of costed data used as the basis for operating decisions. Security features are built into systems at the design phase and procedures are in place to constantly monitor systems security risks.

However, an information systems failure would not have any material or prolonged impact on the Company's operations or results.

Geographical risk

Part of the Group's business is exposed to risks and uncertainties arising from trading in countries (in Latin America and Asia, for example) that notably could experience or have recently experienced periods of economic or political instability. Recent events are described in notes 3 and 34 to the consolidated financial statements included in the 2012 Annual Report. In 2012, international operations accounted for 56.04% of consolidated revenue and 65.8% of consolidated trading profit.

Industrial and environmental risks

In 2002, Casino's commitment to sustainable development prompted it to set up a dedicated organisational framework. In 2009, due to the growing internationalisation of its business, the Group signed up to the United National Global Compact. A Group CSR department was set up in 2010 to foster its corporate social responsibility approach in both its French and international subsidiaries. CSR officers have been appointed in all subsidiaries throughout the world and they meet on a regular basis.

Environmental risks and management procedures are described in the Environmental Report provided after in the 2012 Annual Report.

LEGAL RISKS

Compliance risk

The Group is mainly subject to regulations governing the management of facilities open to the public and listed facilities. Certain Group businesses are governed by specific regulations, and more particularly Casino Vacances (travel agency), Banque du Groupe Casino (banking and consumer finance), Sudéco (real estate agency), Floréal and Casino Carburants (service stations), Mercialys (listed REIT-style property company), L'Immobilière Groupe Casino (property company) and GreenYellow (photovoltaic energy production). In addition, administrative consents are required to open new stores and extend existing ones. International subsidiaries may be subject to similar requirements under local legislation.

Tax and customs risk

The Group is subject to periodic tax audits in France and its various other host countries. Provision is made for all accepted reassessments. Contested reassessments are provided for on a case-by-case basis, according to estimates taking into account the risk of an unfavourable outcome.

Claims and litigation

In the normal course of its business, the Group is involved in various legal or administrative claims and litigation and is subject to audits by regulatory authorities. Provisions are set aside to cover these proceedings when the Group has a legal, contractual or constructive obligation towards a third party at the year-end, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and the amount of the obligation can be reliably estimated.

Information on claims and litigation is provided in notes 27 and 34 to the consolidated financial statements included in the 2012 Annual Report.

As of the 2012 Annual Report filing date, the Company is not and has not been involved in any other governmental, legal or arbitration proceedings (including any such proceedings that are pending or threatened of which the Company is aware) during a period covering at least the previous 12 months which may have, or have had in the recent past, material negative effects on the financial position or profitability of the Company and/or the Group.

However, as noted in the "Shareholder pacts" section of the 2012 Annual Report incorporated by reference herein, in its final ruling handed down on 4 February 2011 in the dispute between the Casino Group and the Baud family over Franprix and Leader Price dividends and late interest, the arbitration board rejected the Baud family's claim for payment of Franprix-Leader Price dividends for 2006 and 2007 and additional compensation in respect of their foreign tax position, due to accounting errors and irregularities in the financial statements. In compliance with the arbitration board's ruling, in first-half 2011 Casino paid the Baud family €34 million in compensation corresponding to Franprix-Leader Price dividends for 2008 (€28 million) and additional compensation for the Franprix-Leader Price shares previously acquired by Casino (€6 million).

- As regards Geimex, a company owned on a 50/50 basis by the Casino Group and the Baud family that owns the international rights to the Leader Price brand, the disputes between the two shareholders mainly concern Casino's disposal of Leader Price Polska in 2006 and the

Baud family's Swiss activities, on which a ruling was handed down by the arbitration board on 23 December 2011. However, commercial and criminal litigation between the parties is still pending.

- As regards GPA, in the context of (i) discussions between Abilio Diniz and the Carrefour group regarding a merger between GPA and Carrefour's Brazilian operations and (ii) the financial proposal presented by Gama, Casino initiated two International Chamber of Commerce arbitration proceedings against the Diniz group on 30 May and 1 July 2011 respectively to demand that the terms and conditions of the shareholder pact of 27 November 2006 be upheld and properly applied and to seek compensation for the damage sustained.

The two cases have since been combined into one and the appointed arbitration board held its first hearing on 9 May last to establish the timetable for the proceeding and to define the claims/demands of the parties. It appears that the decision will not be handed down before the end of 2013 or early 2014.

On 20 December 2012, Abilio Diniz initiated a second arbitration proceeding with respect to performance of the shareholder pact, in particular as regards rights within GPA's Board of Directors. The proceeding is still in a preliminary phase and the arbitration board has not yet been established.

- As regards Globex Utilidades SA, in June 2009, GPA, through one of its subsidiaries, acquired the controlling block in Globex Utilidades SA, operating in the retail market for electronics and home appliances, under the "Ponto Frio" banner. The former majority shareholder (Morzan Empreendimentos) initiated an arbitration proceeding with the International Chamber of Commerce on 30 May 2012 considering that GPA, together with its controlling shareholders, including Wilkes (GPA's controlling holding company), as well as Casino, Guichard- Perrachon and three other sub-holding companies, had failed to comply with the terms of the agreement on payment of the portion payable in GPA shares. Morzan Empreendimentos is seeking damages of approximately BRL160 million (around €62 million). In any event, neither GPA nor its controlling shareholders believe the claim is founded.

In addition, aside from GPA and Wilkes, which are parties to the share sale agreement, none of the other defendants can be bound by the provisions of the agreement.

RISK FACTORS RELATING TO THE NOTES

The following paragraphs describe the risk factors that are material to the Notes to be offered and/or listed and admitted to trading in order to assess the market risk associated with these Notes. Prospective investors should consult their own financial and legal advisers about risks associated with investment in a particular Series of Notes and the suitability of investing in the Notes in light of their particular circumstances.

1. General Risks Relating to the Notes

1.1 Independent Review and Advice

Each prospective investor of Notes must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Notes is fully consistent with its financial needs, objectives and condition, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Notes.

A prospective investor may not rely on the Issuer or the Dealer(s) or any of their respective affiliates in connection with its determination as to the legality of its acquisition of the Notes or as to the other matters referred to above.

1.2 Modification, waivers and substitution

The conditions of the Notes contain provisions for calling General Meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant General Meeting and Noteholders who voted in a manner contrary to the majority.

1.3 No active Secondary/Trading Market for the Notes

Notes issued under the Programme will be new securities which may not be widely distributed and for which there may be no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer. Although in relation to Notes to be listed on the official list of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange and/or any other EEA Regulated Market, the Final Terms of the Notes will be filed with the CSSF in Luxembourg and/or with the competent authority of the EEA Regulated Market where the Notes will be listed and admitted to trading, there is no assurance that such filings will be accepted, that any particular Tranche of Notes will be so listed and admitted or that an active trading market will develop. Accordingly, there is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

1.4 Potential Conflicts of Interest

All or some of the Dealers and their affiliates (including their parent companies) have and/or may in the future engage, in investment banking, commercial banking and/or other financial advisory and commercial dealings with the Issuer and its affiliates and in relation to securities issued by any entity of the Group. They have or may, in the ordinary course of their business, (i) engage in investment banking, trading or hedging activities including activities that may include prime brokerage business, financing transactions or entry into derivative transactions, (ii) act as underwriters in connection with offering of shares or other securities issued by any entity of the Group or (iii) act as financial advisers to the Issuer or other companies of the Group. In the context of these transactions, certain of such Dealers have or may hold shares or other securities issued by entities of the Group. Where applicable, they have or will receive customary fees and commissions for these transactions.

Each of the Issuer and the Dealer(s) may from time to time be engaged in transactions involving an index or related derivatives which may affect the market price, liquidity or value of the Notes and which could be deemed to be adverse to the interests of the Noteholders.

Potential conflicts of interest may arise between the calculation agent, if any, for a Tranche of Notes and the Noteholders, including with respect to certain discretionary determinations and judgements that such calculation agent may make pursuant to the Terms and Conditions that may influence the amount receivable upon redemption of the Notes.

1.5 Exchange Rates

Prospective investors of the Notes should be aware that an investment in the Notes may involve exchange rate risks. The reference assets or the Notes may be denominated in a currency other than the currency of the purchaser's home jurisdiction; and/or the reference assets or the Notes may be denominated in a currency other than the currency in which a purchaser wishes to receive funds. Exchange rates between currencies are determined by factors of supply and demand in the international currency markets which are influenced by macro economic factors, speculation and central bank and government intervention (including the imposition of currency controls and restrictions). Fluctuations in exchange rates may affect the value of the Notes or the reference assets.

1.6 Legality of Purchase

Neither the Issuer, the Dealer(s) nor any of their respective affiliates has or assumes responsibility for the lawfulness of the acquisition of the Notes by a prospective investor of the Notes, whether under the laws of the jurisdiction of its incorporation or the jurisdiction in which it operates (if different), or for compliance by that prospective investor with any law, regulation or regulatory policy applicable to it.

1.7 Credit ratings may not reflect all risks

One or more independent credit rating agencies may assign credit ratings to the Notes. The ratings may not reflect the potential impact of all risks related to structure, market, additional factors discussed above, and other factors that may affect the value of the Notes. A credit rating is not a recommendation to buy, sell or hold securities and may be revised or withdrawn by the rating agency at any time.

1.8 Taxation

Potential purchasers and sellers of the Notes should be aware that they may be required to pay taxes or other documentary charges or duties in accordance with the laws and practices of the country where the Notes are transferred or other jurisdictions. In some jurisdictions, no official statements of the tax authorities or court decisions may be available for innovative financial instruments such as the Notes. Potential investors are advised not to rely upon the tax section contained in this Base Prospectus but to ask for their own tax adviser's advice on their individual taxation with respect to the acquisition, holding, sale and redemption of the Notes. Only these advisors are in a position to duly consider the specific situation of the potential investor. This investment consideration has to be read in connection with the taxation sections of this Base Prospectus.

1.9 EU Savings Directive

Under EC Council Directive 2003/48/EC on the taxation of savings income (the "**Savings Directive**") Member States are required to provide to the tax authorities of another Member State details of payments of interest (or similar income) paid by a paying agent located within its jurisdiction to, or for the benefit of, an individual resident in that other Member State, except that, for a transitional period (the ending of such transitional period being dependant upon the conclusion of certain other agreements relating to information exchange with certain other countries), Luxembourg and Austria will instead withhold an amount on interest payments unless the relevant beneficial owner of such payment elects otherwise and authorises the paying agent to disclose the above information (the Luxembourg government has however announced its intention to elect out of the withholding system in favour of an automatic exchange of information with effect from 1 January 2015). A number of non EU countries and territories including Switzerland have adopted similar

measures (a withholding system in the case of Switzerland). The rate of this withholding tax is currently 35 per cent. See section entitled “Taxation - EU Taxation” in this Base Prospectus.

If, following implementation of the Savings Directive, a payment were to be made or collected through a Member State which has opted for a withholding system and an amount of, or in respect of, tax were to be withheld from that payment, neither the Issuer nor any Paying Agent nor any other person would be obliged to pay additional amounts with respect to any Note as a result of the imposition of such withholding tax. If a withholding tax is imposed on payments made by a Paying Agent, the Issuer will be required to maintain a Paying Agent in a Member State that will not be obliged to withhold or deduct tax pursuant to the Savings Directive.

On 13 November 2008 the European Commission published a detailed proposal for amendments to the Savings Directive, which included a number of suggested changes. The European Parliament approved an amended version of this proposal on 24 April 2009. If any of these proposed changes are made in relation to the Savings Directive they may amend or broaden the scope of the requirements described above.

1.10 Financial Transaction Tax

On 14 February 2013, the EU Commission adopted a proposal for a Council Directive (the “**Draft Directive**”) on a common financial transaction tax (“**FTT**”). According to the Draft Directive, the FTT shall be implemented and enter into effect in eleven EU Member States (Austria, Belgium, Estonia, France, Germany, Greece, Italy, Portugal, Spain, Slovakia and Slovenia; the “**Participating Member States**”) on 1 January 2014. On 18 April 2013, the United Kingdom has brought an action before the European Court of Justice challenging the legality of the decision of the EU Council to authorise enhanced cooperation in the area of FTT and the scope and objectives of the commission proposals. This legal challenge has, however, no suspending effect.

Pursuant to the Draft Directive, the FTT shall be payable on financial transactions provided at least one party to the financial transaction is established or deemed established in a Participating Member State and there is a financial institution established or deemed established in a Participating Member State which is a party to the financial transaction, or is acting in the name of a party to the transaction. The FTT shall, however, not apply to (*inter alia*) primary market transactions referred to in Article 5 (c) of Regulation (EC) No 1287/2006, including the activity of underwriting and subsequent allocation of financial instruments in the framework of their issue.

The rates of the FTT shall be fixed by each Participating Member State but for transactions involving financial instruments other than derivatives shall amount to at least 0.1 per cent. of the taxable amount. The taxable amount for such transactions shall in general be determined by reference to the consideration paid or owed in return for the transfer. The FTT shall be payable by each financial institution established or deemed established in a Participating Member State which is a party to the financial transaction, acting in the name of a party to the transaction or where the transaction has been carried out on its account. Where the FTT due has not been paid within the applicable time limits, each party to a financial transaction, including persons other than financial institutions, shall become jointly and severally liable for the payment of the FTT due.

Prospective holders should therefore note, in particular, that any sale, purchase or exchange of the Notes will be subject to the FTT at a minimum rate of 0.1 per cent. provided the abovementioned prerequisites are met. The holder may be liable to itself pay this charge or reimburse a financial institution for the charge, and/or the charge may affect the value of the Notes. However, the issuance of Notes under the Programme should not be subject to the FTT.

The Draft Directive is still subject to negotiation between the Participating Member States and therefore may be changed at any time. Moreover, once the Draft Directive has been adopted (the

“Directive”), it will need to be implemented into the respective domestic laws of the Participating Member States and the domestic provisions implementing the Directive might deviate from the Directive itself. Prospective holders of the Notes should consult their own tax advisers in relation to the consequences of the FTT associated with subscribing for, purchasing, holding and disposing of the Notes.

1.11 Market Value of the Notes

The market value of the Notes will be affected by the creditworthiness of the Issuer and a number of additional factors, including, but not limited to, the volatility of market interest and yield rates and the time remaining to the maturity date.

The value of the Notes depends on a number of interrelated factors, including economic, financial and political events in France or elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Notes are traded. The price at which a Noteholder will be able to sell the Notes prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser.

1.12 Change of Law

The Terms and Conditions of the Notes are based on French law in effect as at the date of this Base Prospectus. No assurance can be given as to the impact of any possible judicial decision or change in French law or the official application or interpretation of French law after the date of this Base Prospectus.

1.13 French Insolvency Law

Under French insolvency law, holders of debt securities are automatically grouped into a single assembly of holders (the “**Assembly**”) in order to defend their common interests if an accelerated financial preservation procedure (*procédure de sauvegarde financière accélérée*), a preservation (*procédure de sauvegarde*) or a judicial reorganisation procedure (*procédure de redressement judiciaire*) is opened in France with respect to the Issuer.

The Assembly comprises holders of all debt securities issued by the Issuer (including the Notes), whether or not under a debt issuance programme (EMTN) and regardless of their governing law.

The Assembly deliberates on the proposed preservation plan (*projet de plan de sauvegarde*), proposed accelerated financial preservation plan (*projet de plan de sauvegarde financière accélérée*) or judicial reorganisation plan (*projet de plan de redressement*) applicable to the Issuer and may further agree to:

- increase the liabilities (*charges*) of holders of debt securities (including the Noteholders) by rescheduling due payments and/or partially or totally writing off receivables in the form of debt securities;
- establish an unequal treatment between holders of debt securities (including the Noteholders) as appropriate under the circumstances; and/or
- decide to convert debt securities (including the Notes) into securities that give or may give right to share capital.

Decisions of the Assembly will be taken by a two-third majority (calculated as a proportion of the debt securities held by the holders attending such Assembly or represented thereat). No quorum is required to convoke the Assembly.

For the avoidance of doubt, the provisions relating to the Representation of the Noteholders described in this Base Prospectus will not be applicable to the extent they are not in compliance with compulsory insolvency law provisions that apply in these circumstances.

2. Risks related to the structure of a particular issue of Notes

The Programme allows for different types of Notes to be issued. Accordingly, each Tranche of Notes may carry varying risks for potential investors depending on the specific features of such Notes such as, *inter alia*, the provisions for computation of periodic interest payments, if any, redemption and issue price.

2.1 Notes subject to optional redemption

Notes subject to optional redemption by the Issuer

- *Redemption for taxation reasons*

In the event that the Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of, any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by the country of domicile (or residence for tax purposes) by the Issuer, or on behalf of France, or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may redeem all outstanding Notes in accordance with the Terms and Conditions.

- *Issuer's call options*

In addition, the Issuer has the option to redeem all of the Notes:

- (i) under a call option as provided in Condition 6(b)(i) of the Terms and Conditions if in the case of any particular Tranche of Notes the relevant Final Terms so specify, or
- (ii) under a make-whole call option as provided in Condition 6(b)(ii) of the Terms and Conditions if in the case of any particular Tranche of Notes the relevant Final Terms so specify.

- *Redemption on a Repurchase Event*

In the event that a Repurchase Event occurs, *i.e.* at least 90 per cent. of the initial aggregate principal amount of the Notes has been purchased by the Issuer, and a Repurchase Event is specified as applicable in the relevant Final Terms, the Issuer has the option to redeem all of the remaining Notes at a repurchase redemption amount which will be specified in the relevant Final Terms, together with accrued interest as provided in Condition 6(f)(ii) in the Terms and Conditions.

In the event the Issuer redeems the Notes as described above, if the market interest rates decrease, the risk to Noteholders that the Issuer will exercise its right of redemption increases. An investor generally may not be able to reinvest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time. During any period when the Issuer may elect to redeem the Notes, the market value of the Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period.

Notes subject to optional redemption by the Noteholders: exercise of Change of Control Put Option in respect of certain Notes may affect the liquidity of the Notes of the same Series in respect of which such option is not exercised

Depending on the number of Notes of the same Series in respect of which the Change of Control Put Option specified as applicable in the relevant Final Terms is exercised, any trading market in respect of those Notes

in respect of which such option is not exercised may become illiquid. In addition, investors may only be able to reinvest the moneys they receive upon such early redemption in securities with a lower yield than the redeemed Notes.

2.2 Fixed Rate Notes

Investment in Notes which bear interest at a fixed rate involves the risk that subsequent changes in market interest rates may adversely affect the value of the relevant Tranche of Notes.

2.3 Floating Rate Notes

Investment in Notes which bear interest at a floating rate comprise (i) a reference rate and (ii) a margin to be added or subtracted, as the case may be, from such base rate. Typically, the relevant margin will not change throughout the life of the Notes but there will be a periodic adjustment (specified in the relevant Final Terms) of the reference rate (e.g., every three months or six months) which itself will change in accordance with general market conditions. Accordingly, the market value of floating rate Notes may be volatile if changes, particularly short term changes, to market interest rates evidenced by the relevant reference rate can only be reflected in the interest rate of these Notes upon the next periodic adjustment of the relevant reference rate.

2.4 Inverse Floating Rate Notes

Investment in Notes which bear interest at an inverse floating rate comprise (i) a fixed base rate minus (ii) a reference rate. The market value of such Notes typically is more volatile than the market value of floating rate Notes based on the same reference rate (and with otherwise comparable terms). Inverse floating rate Notes are more volatile because an increase in the reference rate not only decreases the interest rate of the Notes, but may also reflect an increase in prevailing interest rates, which further adversely affects the market value of these Notes.

2.5 Fixed to Floating Rate Notes

Fixed to floating rate Notes may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of the Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the fixed to floating Rate Notes may be less favourable than then prevailing spreads on comparable floating rate Notes tied to the same reference rate. In addition, the new floating rate at any time may be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

2.6 Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

2.7 Variable rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features, their market values may be even more volatile than those for securities that do not include those features.

Materialised Notes in definitive form (“**Definitive Materialised Notes**”) are serially numbered and are issued with coupons (the “**Coupons**” and, where appropriate, a talon (the “**Talon**”)) attached, save in the case of Zero Coupon Notes in which case references to interest (other than in relation to interest due after the Maturity Date), Coupons and Talons in these Conditions are not applicable.

In accordance with Articles L.211-3 and R.211-1 of the Code, securities (such as Notes) which are governed by French law and are in materialised form must be issued outside the French territory.

- (b) **Denomination(s):** Notes shall be issued in the specified denomination(s) as set out in the relevant Final Terms (the “**Specified Denomination(s)**”) save that the minimum denomination of each Note listed and admitted to trading on a Regulated Market in circumstances which require the publication of a prospectus under the Prospectus Directive will be €100,000 (or, if the Notes are denominated in a currency other than euro, the equivalent amount in such currency). Dematerialised Notes shall be issued in one Specified Denomination only.

- (c) **Title:**

- (iv) In these Conditions, “**holder of Notes**”, “**holder of any Note**” or “**Noteholder**” means (i) in the case of Dematerialised Notes, the person whose name appears in the account of the relevant Account Holder or the Issuer or the Registration Agent (as the case may be) as being entitled to such Notes and (ii) in the case of Materialised Notes, the bearer of any Definitive Materialised Note and the Coupons or Talon relating to it, and capitalised terms have the meanings given to them in the relevant Final Terms, the absence of any such meaning indicating that such term is not applicable to the Notes.

- (d) **Redenomination:**
- (i) The Issuer may (if so specified in the relevant Final Terms), on any Interest Payment Date, without the consent of the holder of any Note, Coupon or Talon, by giving at least thirty (30) days' notice in accordance with Condition 14 and on or after the date on which the European Member State in whose national currency the Notes are denominated has become a participating Member State in the single currency of the European Economic and Monetary Union (as provided in the Treaty establishing the European Community (the "EC"), as amended from time to time (the "Treaty")), or events have occurred which have substantially the same effects (in either case, "EMU"), redenominate all, but not some only, of the Notes of any Series (as defined below) into Euro and adjust the aggregate principal amount and the Specified Denomination(s) set out in the relevant Final Terms accordingly, as described below. The date on which such redenomination becomes effective shall be referred to in these Conditions as the "**Redenomination Date**".
 - (ii) The redenomination of the Notes pursuant to Condition 1(d)(i) shall be made by converting the principal amount of each Note from the relevant national currency into Euro using the fixed relevant national currency Euro conversion rate established by the Council of the European Union pursuant to applicable regulations of the Treaty and rounding the resultant figure to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). If the Issuer so elects, the figure resulting from conversion of the principal amount of each Note using the fixed relevant national currency Euro conversion rate shall be rounded down to the nearest Euro. The Euro denominations of the Notes so determined shall be notified to Noteholders in accordance with Condition 14. Any balance remaining from the redenomination with a denomination higher than Euro 0.01 shall be paid by way of cash adjustment rounded to the nearest Euro 0.01 (with Euro 0.005 being rounded upwards). Such cash adjustment will be payable in Euro on the Redenomination Date in the manner notified to Noteholders by the Issuer.
 - (iii) Upon redenomination of the Notes, any reference in the relevant Final Terms to the relevant national currency shall be construed as a reference to Euro.
 - (iv) The Issuer may, with the prior approval of the Redenomination Agent and the Consolidation Agent, in connection with any redenomination pursuant to this Condition or any consolidation pursuant to Condition 13, without the consent of the holder of any Note, Coupon or Talon, make any changes or additions to these Conditions or Condition 13 (including, without limitation, any change to any applicable business day definition, business day convention, principal financial centre of the country of the Specified Currency, interest accrual basis or benchmark), taking into account market practice in respect of redenominated euromarket debt obligations and which it believes are not prejudicial to the interests of such holders. Any such changes or additions shall, in the absence of manifest error, be binding on the holders of Notes, Coupons and Talons and shall be notified to Noteholders in accordance with Condition 14 as soon as practicable thereafter.

- (v) Neither the Issuer nor any Paying Agent shall be liable to the holder of any Note, Coupon or Talon or other person for any commissions, costs, losses or expenses in relation to or resulting from the credit or transfer of Euro or any currency conversion or rounding effected in connection therewith.

(e) **Method of Issue**

Each Series may be issued in tranches (each a “**Tranche**”) on the same or different issue dates.

(A) ISDA Determination for Floating Rate Notes

Where ISDA Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Accrual Period shall be determined by the Calculation Agent as a rate equal to the relevant ISDA Rate. (expressed as a percentage rate per annum) for the Reference Rate which appears or appear, as the case may be, on the Relevant Screen Page as at either 11.00

a.m. (London time in the case of LIBOR or Brussels time in the case of EURIBOR) on the Interest Determination Date in question as determined by the Calculation Agent. If five or more of such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean of such offered quotations.

- (b) if the Relevant Screen Page is not available or if subparagraph (a)(i) applies and no such offered quotation appears on the Relevant Screen Page or if subparagraph (a)(ii) applies and fewer than three such offered quotations appear on the Relevant Screen Page, subject as provided below, the Calculation Agent shall request, if the Reference Rate is LIBOR, the principal London office of each of the Reference Banks or, if the Reference Rate is EURIBOR, the principal Euro-zone office of each of the Reference Banks, to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time), or if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean of such offered quotations as determined by the Calculation Agent; and
- (c) if paragraph (b) above applies and the Calculation Agent determines that fewer than two Reference Banks are providing offered quotations, subject as provided below, the Rate of Interest shall be the arithmetic mean of the rates per annum (expressed as a percentage) as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks were offered, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time) on the relevant Interest Determination Date, deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate by leading banks in, if the Reference Rate is LIBOR, the

London inter-bank market or, if the Reference Rate is EURIBOR, the Euro-zone inter-bank market, as the case may be, or, if fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the offered rate for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, or the arithmetic mean of the offered rates for deposits in the Specified Currency for a period equal to that which would have been used for the Reference Rate, at which, if the Reference Rate is LIBOR, at approximately 11.00 a.m. (London time) or, if the Reference Rate is EURIBOR, at approximately 11.00 a.m. (Brussels time), on the relevant Interest Determination Date, any one or more banks (which bank or banks is or are in the opinion of the Issuer suitable for such purpose) informs the Calculation Agent it is quoting to leading banks in, if the Reference Rate is LIBOR, the London inter-bank market or, if the Reference Rate is EURIBOR, the Euro zone inter-bank market, as the case may be, provided that, if the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin or Maximum or Minimum Rate of Interest is to be applied to the relevant Interest Accrual Period from that which applied to the last preceding Interest Accrual Period, the Margin or Maximum or Minimum Rate of Interest relating to the relevant Interest Accrual Period, in place of the Margin or Maximum or Minimum Rate of Interest relating to that last preceding Interest Accrual Period).

- (d) Where Screen Rate Determination is specified in the relevant Final Terms as the manner in which the Rate of Interest is to be determined and the Reference Rate in respect of the Floating Rate Notes is specified as being the CMS, the Rate of Interest for each Interest Accrual Period will, subject as provided below, be the offered quotation (expressed as a percentage rate per annum) for CMS relating to the relevant maturity (the relevant maturity year mid swap rate in Euros (annual 30/360)), which appears on the Relevant Screen Page, being Reuters page "ISDAFIX2" under the heading "EURIBOR Basis - EUR", as at 11.00 a.m. Frankfurt time, on the relevant Interest Determination Date in question plus or minus (as indicated in the applicable

Final Terms) the Margin (if any), all as determined by the Calculation Agent.

In the event that the CMS does not appear on the Relevant Screen Page, the Calculation Agent shall determine on the relevant Interest Determination Date the applicable rate based on quotations of five Reference Banks (to be selected by the Calculation Agent and the Issuer) for CMS relating to the relevant maturity (in each case the relevant mid-market annual swap rate commencing two TARGET Business Days following the relevant Interest Determination Date). The highest and lowest (or, in the event of equality, one of the highest and/or lowest) quotations so determined shall be disregarded by the Calculation Agent for the purpose of determining the Reference Rate which will be the arithmetic mean (rounded if necessary to five significant figures with halves being rounded up) of such provided quotations.

If, for any reason, the CMS is no longer published or if fewer than three quotations are provided to the Calculation Agent in accordance with the above paragraph, it will be determined by the Calculation Agent in its sole discretion, acting in good faith and in a commercial and reasonable manner.

- (d) **Zero Coupon Notes:** Where a Note the Interest Basis of which is specified to be Zero Coupon and is repayable prior to the Maturity Date is not paid when due, the amount due and payable prior to the Maturity Date shall be the Early Redemption Amount of such Note. As from the Maturity Date, the Rate of Interest for any overdue principal of such a Note shall be a rate per annum (expressed as a percentage) equal to the Amortisation Yield (as described in Condition 6(d)(i)).
- (e) **Accrual of Interest:** Interest shall cease to accrue on each Note on the due date for redemption unless (i) in the case of Dematerialised Notes, on such due date or (ii) in the case of Materialised Notes, upon due presentation, payment is improperly withheld or refused, in which event interest shall continue to accrue (as well after as before judgment) at the Rate of Interest in the manner provided in this Condition 5 to the Relevant Date (as defined in Condition 8).
- (f) **Margin, Maximum/Minimum Rates of Interest and Redemption Amounts and Rounding:**
 - (i) If any Margin is specified in the relevant Final Terms (either (x) generally, or (y) in relation to one or more Interest Accrual Periods), an adjustment shall be made to all Rates of Interest, in the case of (x), or the Rates of Interest for the specified Interest Accrual Periods, in the case of (y), calculated in accordance with (c) above by adding (if a positive number) or subtracting the absolute

value (if a negative number) of such Margin, subject always to the next paragraph

- (ii) If any Maximum or Minimum Rate of Interest or Redemption Amount is specified in the relevant Final Terms, then any Rate of Interest or Redemption Amount shall be subject to such maximum or minimum, as the case may be
 - (iii) For the purposes of any calculations required pursuant to these Conditions, (x) all percentages resulting from such calculations shall be rounded, if necessary, to the nearest one hundred-thousandth of a percentage point (with halves being rounded up), (y) all figures shall be rounded to seven significant figures (with halves being rounded up) and (z) all currency amounts that fall due and payable shall be rounded to the nearest unit of such currency (with halves being rounded up), save in the case of yen, which shall be rounded down to the nearest yen. For these purposes “unit” means the lowest amount of such currency that is available as legal tender in the country(ies) of such currency.
- (g) **Calculations:** The amount of interest payable in respect of any Note for any period shall be calculated by multiplying the product of the Rate of Interest and the outstanding nominal amount of such Note by the Day Count Fraction, unless an Interest Amount is specified in respect of such period in the Final Terms, in which case the amount of interest payable in respect of such Note for such period shall equal such Interest Amount. Where any Interest Period comprises two or more Interest Accrual Periods, the amount of interest payable in respect of such Interest Period shall be the sum of the amounts of interest payable in respect of each of those Interest Accrual Periods.
- (h) **Determination and Publication of Rates of Interest, Interest Amounts, Final Redemption Amounts, Optional Redemption Amounts and Early Redemption Amounts:** The Calculation Agent shall, as soon as practicable on such date as the Calculation Agent may be required to calculate any rate or amount, obtain any quotation or make any determination or calculation, determine such rate and calculate the Interest Amounts for the relevant Interest Accrual Period, calculate the Final Redemption Amount, Optional Redemption Amount or Early Redemption Amount, obtain such quotation or make such determination or calculation, as the case may be, and cause the Rate of Interest and the Interest Amounts for each Interest Accrual Period and the relevant Interest Payment Date and, if required to be calculated, the Final Redemption Amount, Optional Redemption Amount or Early Redemption Amount to be notified to the Fiscal Agent, the Issuer, each of the Paying Agents, the Noteholders, any other Calculation Agent appointed in respect of the Notes that is to make a further calculation upon receipt of such information and, if the Notes are listed and admitted to trading on a Regulated Market and the rules applicable to such Regulated Market so require, such Regulated Market as soon as possible after their determination but in no event later than (i) the commencement of the relevant Interest Period, if determined prior to such time, in the case of notification to such exchange of a Rate of Interest and Interest Amount, or (ii) in all other cases, the fourth Business Day after such determination. Where any Interest Payment Date or Interest Period Date is subject to adjustment pursuant to Condition 5(c)(ii), the Interest Amounts and the Interest Payment Date so published may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) without notice in the event of an extension or shortening of the Interest Period. The determination of any rate or amount, the

obtaining of each quotation and the making of each determination or calculation by the Calculation Agent(s) shall (in the absence of manifest error) be final and binding upon all parties.

(i) **Adjustment of Interest Rate**

If an Adjustment of Interest Rate is specified in the relevant Final Terms in respect of any Fixed Rate Notes, the Rate of Interest payable on the Notes will be subject to adjustment in accordance with the Interest Ratchet in the event of a Step Up Event or a Step Down Event (each such adjustment a “**Rate Adjustment**”). Any Rate Adjustment shall be effective from and including the Interest Payment Date immediately following the date of the relevant Step Up Event or the relevant Step Down Event.

The Issuer will cause each Step Up Event and each Step Down Event to be notified to the Fiscal Agent and notice thereof to be published in accordance with Condition 14 as soon as possible after the occurrence of the Step Up Event or the Step Down Event but in no event later than the tenth (10th) TARGET Business Day thereafter.

For so long as any of the Notes in respect of which this Condition 5(i) applies, are outstanding, the Issuer shall use its best efforts to maintain Ratings from at least two Rating Agencies.

In the event that one Rating Agency fails or ceases to assign a Rating, the Issuer shall use its best efforts to obtain a Rating from a Substitute Rating Agency within one hundred twenty (120) days of the date on which only one Rating is assigned to the Notes. In the event that a Rating is not obtained from such a Substitute Rating Agency, then, a Step Up Event shall be constituted as from the date on which only one Rating is assigned to the Notes in consequence of which the Rate of Interest payable on the Notes to the Maturity Date shall be the Initial Rate of Interest plus the Margin Adjustment unless (i) the Rating assigned by the remaining Rating Agency is at least equal to the Compensation Threshold or (ii) the termination of the Rating by the Rating Agency is due to any reason other than a reason related to the Issuer.

In the event that all Rating Agencies fail or cease to assign a Rating and no Rating is obtained from a Substitute Rating Agency, this shall constitute a Step Up Event in consequence of which the Rate of Interest payable on the Notes to the Maturity Date shall be the Initial Rate of Interest plus the Margin Adjustment.

For the purposes of this Condition:

“**Step Up Event**” means the first public announcement by any Rating Agency of a Rating Decrease.

“**Step Down Event**” means (i) where the Rate of Interest has previously been subject to an increase in accordance with the Interest Ratchet following a Rating Decrease by any Rating Agency, the first public announcement by such Rating Agency that it has assigned a Rating equal to or higher than the Specified Threshold, and as a consequence two Rating Agencies have assigned a Rating equal to or higher than the Specified Threshold, or (ii) the occurrence of an Alternative Agency Compensation Event.

“**Alternative Agency Compensation Event**” means, in relation to one and the same Rating Agency, (i) such Rating Agency having announced a Rating Decrease and subsequently withdrawing its Rating or otherwise failing or ceasing to assign a Rating; and

(ii) the subsequent publication by the other Rating Agency of a Rating which is equal to or higher than the Compensation Threshold.

“**Rating Decrease**” means a decrease in the Rating to below the Specified Threshold with the exception of a Rating Downgrade as defined in Condition 6(i).

“**Specified Threshold**” means BBB- (in the case of S&P) or BBB- (in the case of Fitch) or the equivalent rating level of any Substitute Rating Agency.

“**Compensation Threshold**” means BBB (stable outlook) (in the case of S&P) or BBB (stable outlook) (in the case of Fitch) or the equivalent rating level of any Substitute Rating Agency.

“**Rating**” means the rating of the Issuer’s senior unsecured long-term debt.

“**Initial Rate of Interest**” means the Rate of Interest specified in the relevant Final Terms.

“**Interest Ratchet**” means the following rates of interest:

- (a) upon the occurrence of a first Step Up Event: the Initial Rate of Interest plus the Margin Adjustment; and
- (b) upon the occurrence of a Step Down Event following the previous occurrence of the first Step Up Event as referred to in (a) above: the Initial Rate of Interest.

“**Rating Agency**” means, S&P and Fitch, as the case may be, or any rating organisation generally recognised by banks, securities houses and investors in the euro-markets provided that references herein to a Rating Agency shall only be to such Rating Agency as shall have been appointed by or on behalf of the Issuer to maintain a Rating and shall not extend to any such Rating Agency providing ratings on an unsolicited basis.

“**S&P**” means Standard & Poor’s Rating Services, a division of the McGraw-Hill Companies, Inc., or its Successor.

“**Fitch**” means Fitch Ratings Ltd., or its Successor.

“**Successor**” means the legal successor to any of the Rating Agencies continuing the respective business activity.

“**Substitute Rating Agency**” means any international rating agency that qualifies as a statistical rating agency. References to Rating Agency shall be to such Substitute Rating Agency.

- (j) **Calculation Agent:** The Issuer shall use its best efforts to procure that there shall at all times one or more Calculation Agents if provision is made for them in the relevant Final Terms and for so long as any Note is outstanding (as defined above in Condition 4). Where more than one Calculation Agent is appointed in respect of the Notes, references in these Conditions to the Calculation Agent shall be construed as each Calculation Agent performing its respective duties under the Conditions. If the Calculation Agent is unable or unwilling to act as such or if the Calculation Agent fails duly to establish the Rate of Interest for an Interest Accrual Period or to calculate any Interest Amount, Final Redemption Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, or to comply with any other requirement, the Issuer shall appoint a leading bank or investment banking firm engaged in the interbank market (or, if appropriate, money, swap or over-the-counter index options market) that is most closely connected with

the calculation or determination to be made by the Calculation Agent (acting through its principal London office or any other office actively involved in such market) to act as such in its place. The Calculation Agent may not resign its duties without a successor having been appointed as aforesaid. So long as the Notes are listed on any stock exchange and the rules applicable to that exchange so require, notice of any change of Calculation Agent shall be given in accordance with Condition 14.

6 Redemption, Purchase and Options

(a) **Final Redemption:** Unless previously redeemed, purchased and cancelled as provided below each Note shall be finally redeemed on the Maturity Date specified in the relevant Final Terms at its Final Redemption Amount (which is its nominal amount).

(b) **Redemption at the Option of the Issuer and Partial Redemption:**

(i) *Call Option:*

If a Call Option is specified in the relevant Final Terms, the Issuer may, subject to compliance by the Issuer with all relevant laws, regulations and directives and on giving not less than fifteen (15) nor more than thirty (30) days' irrevocable notice in accordance with Condition 14 to the Noteholders (or such other notice period as may be specified in the relevant Final Terms), redeem all or, if so provided, some of the Notes on any Optional Redemption Date. Any such redemption of Notes shall be at their Optional Redemption Amount (as specified in the relevant Final Terms), together with any interest accrued to the date set for redemption, if any.

(ii) *Make-whole redemption:*

If so specified in the relevant Final Terms, the Issuer may, subject to compliance by the Issuer with all relevant laws, regulations and directives and on giving not less than fifteen (15) nor more than thirty (30) days' irrevocable notice in accordance with Condition 14 to the Noteholders (or such other notice period as may be specified in the relevant Final Terms) redeem the Notes, in whole or in part, at any time or from time to time, prior to their Maturity Date, at their Make-Whole Redemption Amount.

For the purpose hereof:

“**Make-Whole Redemption Amount**” means in respect of any Notes to be redeemed pursuant to this Condition 6(b)(ii), an amount, determined by the Calculation Agent, equal to the greater of (x) 100 per cent. of the principal amount of such Notes and (y) the sum of the then present values of the remaining scheduled payments of principal and interest on such Notes (excluding any interest accrued on the Notes to, but excluding, the date set for redemption) discounted to the relevant redemption date on an annual basis at the Make-Whole Redemption Rate (as specified in the relevant Final Terms) plus a Make-Whole Redemption Margin (as specified in the relevant Final Terms), plus in each case, any interest accrued on the Notes to, but excluding, the date set for redemption.

The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties.

“Make-Whole Redemption Margin” means the margin specified as such in the relevant Final Terms.

“Make-Whole Redemption Rate” means the rate specified as such in the relevant Final Terms.

(iii) *Exercise of Issuer’s options and partial redemption:*

Any redemption or exercise pursuant to paragraphs 6(b)(i) and 6(b)(ii) above shall relate to Notes of a nominal amount at least equal to the Minimum Redemption Amount to be redeemed as specified in the relevant Final Terms and no greater than the Maximum Redemption Amount to be redeemed specified in the relevant Final Terms.

All Notes in respect of which any such notice is given shall be redeemed on the date specified in such notice in accordance with this Condition.

In the case of a partial redemption the notice to holders of Materialised Notes shall also contain the number of the Definitive Materialised Notes to be redeemed which shall have been drawn in such place and in such manner as may be fair and reasonable in the circumstances, taking account of prevailing market practices, subject to compliance with any applicable laws and requirements of the Regulated Market on which the Notes are listed and admitted to trading.

In the case of a partial redemption, the redemption will be effected by reducing the nominal amount of all Dematerialised Notes in a Series in proportion to the aggregate nominal amount redeemed, subject to compliance with any applicable laws and requirements of the Regulated Market on which the Notes are listed and admitted to trading.

So long as the Notes are listed and admitted to trading on a Regulated Market and the rules of that Regulated Market so require, the Issuer shall, once in each year in which there has been a partial redemption of the Notes, cause to be published in a leading newspaper of general circulation in the city where the Regulated Market on which such Notes are listed and admitted to trading is located, which in the case of the Luxembourg Stock Exchange is expected to be the *Luxemburger Wort*, a notice specifying the aggregate nominal amount of Notes outstanding and, in the case of Materialised Notes a list of any Definitive Materialised Notes drawn for redemption but not surrendered.

(c) **Redemption at the Option of Noteholders and Exercise of Noteholders’ Options:** If a Put Option is specified in the relevant Final Terms the Issuer shall, at the option of the Noteholder, upon the Noteholder giving not less than fifteen (15) nor more than thirty (30) days’ notice to the Issuer (or such other notice period as may be specified in the relevant Final Terms) redeem such Note on the Optional Redemption Date(s) at its Optional Redemption Amount together with interest accrued to the date fixed for redemption.

To exercise such option the Noteholder must deposit with any Paying Agent at its specified office during usual business hours a duly completed option exercise notice (the **“Exercise Notice”**) in the form obtained during usual business hours from any Paying Agent or the Registration Agent, as the case may be, within the notice period. Such notice shall, in the case of Materialised Notes, have attached to it such Note (together with all unmaturing Coupons and unexchanged Talons). In the case of Dematerialised Notes, the Noteholder shall transfer, or cause to be transferred, the Dematerialised Notes to be redeemed to the

account of the Paris Paying Agent specified in the Exercise Notice. No option so exercised and, where applicable, no Note so deposited or transferred may be withdrawn without the prior consent of the Issuer.

(d) **Early Redemption:**

(i) Zero Coupon Notes:

- (A) The Early Redemption Amount payable in respect of any Zero Coupon Note, the amount, upon redemption of such Note pursuant to Condition 6(e) or Condition 6(h) or upon it becoming due and payable as provided in Condition 9 shall be the Amortised Nominal Amount (calculated as provided below) of such Note.
- (B) Subject to the provisions of sub-paragraph (C) below, the Amortised Nominal Amount of any such Note shall be the scheduled Final Redemption Amount of such Note on the Maturity Date discounted at a rate per annum (expressed as a percentage) equal to the Amortisation Yield (which, if none is shown in the relevant Final Terms, shall be such rate as would produce an Amortised Nominal Amount equal to the issue price of the Notes if they were discounted back to their issue price on the Issue Date) compounded annually.
- (C) If the Early Redemption Amount payable in respect of any such Note upon its redemption pursuant to Condition 6(e) or Condition 6(h) or upon it becoming due and payable as provided in Condition 9 is not paid when due, the Early Redemption Amount due and payable in respect of such Note shall be the Amortised Nominal Amount of such Note as defined in sub-paragraph (B) above, except that such sub-paragraph shall have effect as though the date on which the Amortised Nominal Amount becomes due and payable were the Relevant Date. The calculation of the Amortised Nominal Amount in accordance with this sub-paragraph shall continue to be made (both before and after judgment) until the Relevant Date, unless the Relevant Date falls on or after the Maturity Date, in which case the amount due and payable shall be the scheduled Final Redemption Amount of such Note on the Maturity Date together with any interest that may accrue in accordance with Condition 5(d).

Where such calculation is to be made for a period of less than one (1) year, it shall be made on the basis of the Day Count Fraction as provided in the relevant Final Terms.

(ii) Other Notes:

The Early Redemption Amount payable in respect of any Note (other than Notes described in (i) above), upon redemption of such Note pursuant to Condition 6(e) or Condition 6(h), or upon it becoming due and payable as

provided in Condition 9 shall be the Final Redemption Amount together with interest accrued to the date fixed for redemption.

(e) **Redemption for Taxation Reasons:**

- (i) If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after the Issue Date, the Issuer would on the occasion of the next payment of principal or interest due in respect of the Notes, not be able to make such payment without having to pay additional amounts as specified under Conditions 8(a) and 8(b) below, the Issuer may, at its option, on any Interest Payment Date or, if so specified in the relevant Final Terms, at any time, subject to having given not more than forty-five (45) nor less than thirty (30) days' notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 14, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes.
- (ii) If the Issuer would on the next payment of principal or interest in respect of the Notes be prevented by French law from making payment to the Noteholders or, if applicable, Couponholders of the full amounts then due and payable, notwithstanding the undertaking to pay additional amounts contained in Conditions 8(a) and 8(b) below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and the Issuer shall upon giving not less than seven (7) days' prior notice to the Noteholders in accordance with Condition 14, redeem all, but not some only, of the Notes then outstanding at their Redemption Amount together with any interest accrued to the date set for redemption on (A) the latest practicable Interest Payment Date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes, provided that if such notice would expire after such Interest Payment Date the date for redemption pursuant to such notice of Noteholders shall be the later of (i) the latest practicable date on which the Issuer could make payment of the full amount then due and payable in respect of the Notes and (ii) fourteen(14) days after giving notice to the Fiscal Agent as aforesaid or (B) if so specified in the relevant Final Terms, at any time, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date at which the Issuer could make payment of the full amount payable in respect of the Notes, or, if applicable, Coupons or, if that date is passed, as soon as practicable thereafter.

(f) **Purchases:**

- (i) The Issuer shall have the right at all times to purchase Notes (provided that, in the case of Materialised Notes, all unmatured Coupons and unexchanged Talons relating thereto are attached thereto or surrendered therewith) in the open market or otherwise at any price. Unless the possibility of holding and reselling is expressly excluded in the Final Terms, all Notes so purchased by the Issuer may be

held and resold for the purpose of enhancing the liquidity of the Notes in accordance with Articles L.213-1 A and D.213-1 A of the Code.

- (ii) In the event that at least 90 per cent. of the initial aggregate principal amount of the Notes has been purchased by the Issuer (a “**Repurchase Event**”) and a Repurchase Event is specified as applicable in the relevant Final Terms, the Issuer may, at its option but subject to having given not more than sixty (60) nor less than thirty (30) days’ notice to the Noteholders (which notice shall be irrevocable) in accordance with Condition 14, redeem all, but not some only, of the outstanding Notes at their Repurchase Redemption Amount set out in the relevant Final Terms together with any interest accrued to the date set for redemption.
- (g) **Cancellation:** All Notes purchased for cancellation by or on behalf of the Issuer will forthwith be cancelled, in the case of Dematerialised Notes, by transfer to an account in accordance with the rules and procedures of Euroclear France and, in the case of Materialised Notes, by surrendering the Temporary Global Certificate and the Definitive Materialised Notes in question together with all unmatured Coupons and all unexchanged Talons to the Fiscal Agent and, in each case, if so transferred or surrendered, will, together with all Notes redeemed by the Issuer, be cancelled forthwith (together with, in the case of Dematerialised Notes, all rights relating to payment of interest and other amounts relating to such Dematerialised Notes and, in the case of Materialised Notes, all unmatured Coupons and unexchanged Talons attached thereto or surrendered therewith). Any Notes so cancelled or, where applicable, transferred or surrendered for cancellation may not be re-issued or resold and the obligations of the Issuer in respect of any such Notes shall be discharged.
- (h) **Illegality:** If, by reason of any change in French law, or any change in the official application of such law, becoming effective after the Issue Date, it will become unlawful for the Issuer to perform or comply with one or more of its obligations under the Notes, the Issuer will, subject to having given not more than forty-five (45) nor less than thirty (30) days’ notice to the Noteholders (which notice shall be irrevocable), in accordance with Condition 14, redeem all, but not some only, of the Notes at their Early Redemption Amount together with any interest accrued to the date set for redemption.
- (i) **Redemption at the Option of Noteholders following a Change of Control:** If a Change of Control Put Option is specified in the relevant Final Terms, at any time while any Note remains outstanding, each holder of Notes will have the option (the “**Change of Control Put Option**”) to require the Issuer to redeem or, at the Issuer's option, to procure the purchase of these Notes on the Optional Redemption Date (as defined below) at their principal amount together with (or, where purchased, together with an amount equal to) accrued interest to but excluding the Optional Redemption Date if one of the following events takes place (a “**Put Event**”):
 - (i) a Change of Control and, during the Change of Control Period, a Rating Downgrade of the Notes due to this Change of Control, when the Notes are rated by any Rating Agency at the start of the Change of Control Periods; or
 - (ii) a Change of Control, when the Notes are not rated at such time.

A holder of Notes may not exercise his Change of Control Put Option if the Issuer informs the holder of the Notes of its intention to redeem the Notes pursuant to Conditions 6(e) or 6(h) before the Option Notice is sent to the holder.

A “**Change of Control**” shall be deemed to have occurred at each time that any person or persons acting in concert (other than a Permitted Holding Company (as defined below) acting alone or in concert) come(s) to own or acquire(s) such number of the shares in the capital of the Issuer carrying more than fifty (50) per cent. of the voting rights normally exercisable at a general meeting of the Issuer.

“**Permitted Holding Company**” means each and any company or other legal entity whose share capital (or equivalent) and associated voting rights are controlled (within the meaning of Article L. 233-3 of the French *Code de commerce*) by Rallye S.A. or by any company or other legal entity controlling (within such meaning) the share capital (or equivalent) and associated voting rights of Rallye S.A.

“**Change of Control Period**” means the period commencing on the date that is the earlier of (1) the date of the first public announcement of the relevant Change of Control; and (2) the date of the earliest Potential Change of Control Announcement (if any) and ending on the date which is one hundred eighty (180) days after the date of the first public announcement of the relevant Change of Control (the “**Initial Longstop Date**”).

“**Rating Agency**” means any of the following: (a) Standard & Poor's Ratings Services, (b) Fitch Ratings or (c) any other credit rating agency of equivalent international standing specified from time to time by the Issuer - and, in each case, their respective successors or affiliates.

A “**Rating Downgrade**” shall be deemed to have occurred in respect of a Change of Control if within the Change of Control Period the rating previously assigned to the Notes by any Rating Agency is (x) withdrawn or (y) changed from an investment grade rating (BBB-, or their respective equivalents for the time being, or better) to a non-investment grade rating (BB+, or their respective equivalents for the time being, or worse) or (z) if the rating previously assigned to the Notes by any Rating Agency was below an investment grade rating (as described above), lowered by at least one full rating notch (for example, from BB+ to BB or their respective equivalents), provided that a Rating Downgrade otherwise arising by virtue of a particular change in rating shall be deemed not to have occurred in respect of a particular Change of Control if the Rating Agency making the change in rating does not publicly announce or publicly confirm that the reduction was the result, in whole or part, of any event or circumstance comprised in or arising as a result of, or in respect of, the applicable Change of Control.

“**Potential Change of Control Announcement**” means any public announcement or public statement by the Issuer, any actual or potential bidder or any advisor thereto relating to any potential Change of Control.

Promptly upon the Issuer becoming aware that a Put Event has occurred, the Issuer shall give notice (a “**Put Event Notice**”) to the Noteholders in accordance with Condition 14 specifying the nature of the Put Event and the circumstances giving rise to it and the procedure for exercising the Change of Control Put Option contained in this Condition.

To exercise the Change of Control Put Option to require redemption or, as the case may be, purchase of a Note under this section, the holder of that Note must transfer or cause to be transferred by its Account Holder its Notes to be so redeemed or purchased to the account of the Fiscal Agent specified in the Put Option Notice for the account of the Issuer within the period (the “**Put Period**”) of forty-five (45) days after the Put Event Notice is given together with a duly signed and completed notice of exercise in the form (for the time being current) obtainable from the specified office of any Paying Agent (a “**Put Option Notice**”) and in which the holder may specify a bank account to which payment is to be made under this section.

The Issuer shall redeem or, at the option of the Issuer, procure the purchase of the Notes in respect of which the Change of Control Put Option has been validly exercised as provided above, and subject to the transfer of such Notes to the account of the Fiscal Agent for the account of the Issuer as described above on the date which is the fifth (5th) Business Day following the end of the Put Period (the “**Optional Redemption Date**”). Payment in respect of any Note so transferred will be made in Euro to the holder to the specified Euro-denominated bank account in the Put Option Notice on the Optional Redemption Date via the relevant Account Holders.

The Issuer shall have no responsibility for any costs or loss of whatever kind (including breakage costs) which the Noteholder may incur as a result of or in connection with its exercise, or purported exercise, of, or otherwise in connection with, any Change of Control Put Option - whether upon the occasion of any purchase or redemption arising therefrom or otherwise.

7 Payments and Talons

- (a) **Dematerialised Notes:** Payments of principal and interest in respect of Dematerialised Notes shall (in the case of Dematerialised Notes in bearer dematerialised form or administered registered form) be made by transfer to the account denominated in the relevant currency of the relevant Account Holders for the benefit of the Noteholders and, (in the case of Dematerialised Notes in fully registered form), to an account denominated in the relevant currency with a Bank designated by the Noteholders. All payments validly made to such Account Holders will be an effective discharge of the Issuer in respect of such payments.
- (b) **Materialised Notes:** Payments of principal and interest in respect of Materialised Notes shall, subject as mentioned below, be made against presentation and surrender during usual business hours of the relevant Materialised Notes (in the case of all payments of principal and, in the case of interest, as specified in Condition 7(f)(v)) or Coupons (in the case of interest, save as specified in Condition 7(f)(v)), as the case may be, at the specified office of any Paying Agent outside the United States by a cheque payable in the relevant currency drawn on, or, at the option of the Noteholder, by transfer to an account denominated in such currency with, a Bank. “**Bank**” means a bank in the principal financial centre for such currency or, in the case of Euro, in a city in which banks have access to the TARGET System.
- (c) **Payments in the United States:** Notwithstanding the foregoing, if any Materialised Notes are denominated in U.S. Dollars, payments in respect thereof may be made at the specified office of any Paying Agent in New York City in the same manner as aforesaid if (i) the

Issuer shall have appointed Paying Agents with specified offices outside the United States with the reasonable expectation that such Paying Agents would be able to make payment of the amounts on the Notes in the manner provided above when due, (ii) payment in full of such amounts at all such offices is illegal or effectively precluded by exchange controls or other similar restrictions on payment or receipt of such amounts and (iii) such payment is then permitted by United States law, without involving, in the opinion of the Issuer, any adverse tax consequence to the Issuer.

- (d) **Payments Subject to Fiscal Laws:** All payments are subject in all cases to any applicable fiscal or other laws, regulations and directives in the place of payment but without prejudice to the provisions of Condition 8. No commission or expenses shall be charged to the Noteholders or Couponholders in respect of such payments.
- (e) **Appointment of Agents:** The Fiscal Agent, the Paying Agents, the Calculation Agent, the Redenomination Agent and the Consolidation Agent initially appointed by the Issuer and their respective specified offices are listed below. The Fiscal Agent, the Paying Agents, the Redenomination Agent, the Consolidation Agent and the Registration Agent act solely as agents of the Issuer and the Calculation Agent(s) act(s) as independent experts(s) and, in each such case, do not assume any obligation or relationship of agency for any Noteholder or Couponholder. The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, any other Paying Agent, the Redenomination Agent, the Consolidation Agent and the Registration Agent or the Calculation Agent(s) and to appoint additional or other Paying Agents, provided that the Issuer shall at all times maintain (i) a Fiscal Agent, (ii) one or more Calculation Agent(s) where the Conditions so require, (iii) a Redenomination Agent and a Consolidation Agent where the Conditions so require, (iv) Paying Agents having specified offices in at least two major European cities (including Paris so long as the Notes are listed and admitted to trading on Euronext Paris and/or Luxembourg so long as the Notes are listed on the official list of the Luxembourg Stock Exchange and admitted to trading on the Regulated Market of the Luxembourg Stock Exchange and, in either case, so long as the rules applicable to the relevant Regulated Market so require) (v) in the case of Dematerialised Notes, in fully registered form, a Registration Agent (vi) such other agents as may be required by any other Regulated Market on which the Notes may be listed and admitted to trading and (vii) in the case of Materialised Notes, a Paying Agent with a specified office in a European Union Member State that will not be obliged to withhold or deduct tax pursuant to European Council Directive 2003/48/EC of 3 June 2003 on the taxation of savings income in the form of interest payments or any other European Union Directive implementing the conclusions of the ECOFIN Council meeting of 26-27 November 2000 on the taxation of savings income, or any law implementing or complying with, or introduced in order to conform to, such Directive.

In addition, the Issuer shall forthwith appoint a Paying Agent in New York City in respect of any Materialised Notes denominated in U.S. Dollars in the circumstances described in paragraph (c) above.

On a redenomination of the Notes of any Series pursuant to Condition 1(d) with a view to consolidating such Notes with one or more other Series of Notes, in accordance with Condition 13, the Issuer shall ensure that the same entity shall be appointed as both

Redenomination Agent and Consolidation Agent in respect of both such Notes and such other Series of Notes to be so consolidated with such Notes.

Notice of any such change or any change of any specified office shall promptly be given to the Noteholders in accordance with Condition 14.

(f) **Unmatured Coupons and Unexchanged Talons:**

- (i) Upon the due date for redemption of those Notes, Materialised Notes which comprise Fixed Rate Notes should be surrendered for payment together with all unmaturing Coupons (if any) relating thereto, failing which an amount equal to the face value of each missing unmaturing Coupon (or, in the case of payment not being made in full, that proportion of the amount of such missing unmaturing Coupon that the sum of principal so paid bears to the total principal due) shall be deducted from the Final Redemption Amount, Amortised Nominal Amount, Early Redemption Amount or Optional Redemption Amount, as the case may be, due for payment. Any amount so deducted shall be paid in the manner mentioned above against surrender of such missing Coupon within a period of ten (10) years from the Relevant Date for the payment of such principal (whether or not such Coupon has become void pursuant to Condition 10).
- (ii) Upon the due date for redemption of any Materialised Note comprising a Floating Rate Note, unmaturing Coupons relating to such Note (whether or not attached) shall become void and no payment shall be made in respect of them.
- (iii) Upon the due date for redemption of any Materialised Note, any unexchanged Talon relating to such Note (whether or not attached) shall become void and no Coupon shall be delivered in respect of such Talon.
- (iv) Where any Materialised Note that provides that the relative unmaturing Coupons are to become void upon the due date for redemption of those Notes is presented for redemption without all unmaturing Coupons, and where any Materialised Note is presented for redemption without any unexchanged Talon relating to it, redemption shall be made only against the provision of such indemnity as the Issuer may require.
- (v) If the due date for redemption of any Materialised Note is not a due date for payment of interest, interest accrued from the preceding due date for payment of interest or the Interest Commencement Date, as the case may be, shall only be payable against presentation (and surrender if appropriate) of the relevant Definitive Materialised Note. Interest accrued on a Materialised Note that only bears interest after its Maturity Date shall be payable on redemption of such Note against presentation of the relevant Definitive Materialised Notes.

- (g) **Talons:** On or after the Interest Payment Date for the final Coupon forming part of a Coupon sheet issued in respect of any Materialised Note, the Talon forming part of such Coupon sheet may be surrendered at the specified office of the Fiscal Agent in exchange for a further Coupon sheet (and if necessary another Talon for a further Coupon sheet) (but excluding any Coupons that may have become void pursuant to Condition 10).

- (h) **Non-Business Days:** If any date for payment in respect of any Note or Coupon is not a business day, the Noteholder shall not be entitled to payment until the next following business day nor to any interest or other sum in respect of such postponed payment. In this paragraph, “**business day**” means a day (other than a Saturday or a Sunday) (A) (i) in the case of Dematerialised Notes, on which Euroclear France is open for business or (ii) in the case of Materialised Notes, on which banks and foreign exchange markets are open for business in the relevant place of presentation, in such jurisdictions as shall be specified as “**Financial Centres**” in the relevant Final Terms and (B) (i) (in the case of a payment in a currency other than Euro), where payment is to be made by transfer to an account maintained with a bank in the relevant currency, on which foreign exchange transactions may be carried on in the relevant currency in the principal financial centre of the country of such currency or (ii) (in the case of a payment in Euro), which is a TARGET Business Day.

8 Taxation

- (a) **Withholding tax:** All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Notes shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.
- (b) **Additional Amounts:** If French law should require that payments of principal or interest in respect of any Note or Coupon be subject to deduction or withholding in respect of any taxes or duties whatsoever, the Issuer will, to the fullest extent then permitted by law, pay such additional amounts as shall result in receipt by the Noteholders or, if applicable, the Couponholders, as the case may be, of such amounts as would have been received by them had no such withholding or deduction been required, except that no such additional amounts shall be payable with respect to any Note or Coupon, as the case may be:
- (i) **Other connection:** to, or to a third party on behalf of, a Noteholder or, if applicable, a Couponholder, as the case may be, who is liable to such taxes, duties, assessments or governmental charges in respect of such Note or Coupon by reason of his having some connection with France other than the mere holding of the Note or Coupon; or
- (ii) **Presentation more than 30 days after the Relevant Date:** in the case of Materialised Notes, more than 30 days after the Relevant Date except to the extent that the Noteholder or, if applicable, the Couponholder, as the case may be, would have been entitled to such additional amounts on presenting it for payment on the thirtieth such day; or
- (iii) **Payment to individuals:** where such withholding or deduction is imposed on a payment to an individual and is required to be made pursuant to European Council Directive 2003/48/EC or any other Directive implementing the conclusions of the ECOFIN Council Meeting of 26-27 November 2000 on the taxation of savings income, or any law implementing or complying with, or introduced in order to conform to, such Directive; or
- (iv) **Payment by another Paying Agent:** in respect of Definitive Materialised Notes, presented for payment by or on behalf of a holder of any Note or

Coupon, as the case may be, who would be able to avoid such withholding or deduction by presenting the relevant Note or Coupon to another Paying Agent in a Member State of the European Union.

As used in these Conditions, “**Relevant Date**” in respect of any Note or Coupon means the date on which payment in respect of it first becomes due or (if any amount of the money payable is improperly withheld or refused) the date on which payment in full of the amount outstanding is made or, in the case of Materialised Notes (if earlier) the date seven days after that on which notice is duly given to the Noteholders that, upon further presentation of the Note or Coupon being made in accordance with the Conditions, such payment will be made, provided that payment is in fact made upon such presentation.

References in these Conditions to (i) “**principal**” shall be deemed to include any premium payable in respect of the Notes, Final Redemption Amounts, Early Redemption Amounts, Optional Redemption Amounts, Amortised Nominal Amounts and all other amounts in the nature of principal payable pursuant to Condition 6 or any amendment or supplement to it, (ii) “**interest**” shall be deemed to include all Interest Amounts and all other amounts payable pursuant to Condition 5 or any amendment or supplement to it and (iii) “**principal**” and/or “**interest**” shall be deemed to include any additional amounts that may be payable under this Condition.

- (c) **Supply of Information:** Each Noteholder shall be responsible for supplying, in a timely manner, any information as may be required in order to comply with the identification and reporting obligations imposed on it by the European Council Directive 2003/48/EC or any other European Directive implementing the conclusions of the ECOFIN Council Meeting dated 26-27 November 2000 on the taxation of savings income or any law implementing or complying with, or introduced in order to conform to such Directive.

9 Events of Default

The Representative (as defined in Condition 11), upon request of any Noteholder, may, upon written notice to the Issuer and the Fiscal Agent given on behalf of the Noteholders before all defaults shall have been remedied, cause the Notes to become immediately due and payable, whereupon the Notes shall become immediately due and payable at their principal amount, plus accrued interest, without any other formality, if any of the following events (each an “**Event of Default**”) shall occur:

- (i) the Issuer is in default for more than fifteen (15) days for the payment of principal of, or interest on, any Note (including the payment of any additional amounts in accordance with Condition 8), when the same shall become due and payable; or
- (ii) the Issuer is in default in the performance of, or compliance with, any of its other obligations under the Notes and such default has not been cured within thirty (30) days after the receipt by the Fiscal Agent of the written notice of such default by a Noteholder; or
- (iii) if any other present or future indebtedness of the Issuer or any of its Principal Subsidiaries for borrowed money in excess of Euro 40,000,000 (or its equivalent in any other currency) whether individually or in the aggregate shall become due and payable prior to its stated maturity as a result of a default thereunder, or any such indebtedness shall not be paid when due or, as the case

may be, within any applicable grace period (as originally agreed) therefor or any steps shall have been taken to enforce any security in respect of any such indebtedness or any guarantee or indemnity given by the Issuer or any of its Principal Subsidiaries for, or in respect of, any such indebtedness of others shall not be honoured when due and called upon; or

- (iv) if the Issuer applies for the appointment of a *mandataire ad hoc* under French bankruptcy law or enters into a conciliation procedure (*procédure de conciliation*) or a judgment is issued for the judicial liquidation (*liquidation judiciaire*) or for a transfer of the whole of the business (*cession totale de l'entreprise*) of the Issuer or, to the extent permitted by applicable law, if the Issuer is subject to any other insolvency or bankruptcy proceedings or if the Issuer makes any conveyance, assignment or other arrangement for the benefit of its creditors or enters into a composition with its creditors or if the Issuer is wound up or dissolved.

10 Prescription

Claims against the Issuer for payment in respect of the Notes and Coupons (which for this purpose shall not include Talons) shall be prescribed and become void unless made within five years (in the case of principal or interest) from the appropriate Relevant Date in respect of them.

11 Representation of Noteholders

In respect of the representation of the Noteholders, the following shall apply:

- (a) If the relevant Final Terms specifies “Full Masse”, the Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a Masse and the provisions of the French *Code de commerce* relating to the Masse shall apply subject to the below provisions of this Condition 11(a).

The names and addresses of the initial Representative of the Masse and its alternate will be set out in the relevant Final Terms. The Representative appointed in respect of the first Tranche of any Series of Notes will be the Representative of the single Masse of all Tranches in such Series.

The Representative will be entitled, if any, to such remuneration in connection with its functions or duties as set out in the relevant Final Terms.

In the event of death, retirement or revocation of appointment of the initial Representative, such Representative will be replaced by its alternate. In the event of the death, retirement or revocation of appointment of the alternate Representative, an alternate will be elected by the general meeting of the Noteholders (the “**General Meeting**”).

In accordance with Article R.228-71 of the French *Code de commerce*, the right of each Noteholder to participate in General Meetings will be evidenced by the entries in the books of the relevant Account Holder of the name of such Noteholder as of 0:00, Paris time, on the third business day in Paris preceding the date set for the meeting of the relevant General Meeting.

The place where of a General Meeting shall be held will be set out in the notice convening such General Meeting; or

- (b) If the relevant Final Terms specifies “Contractual *Masse*”, the Noteholders will, in respect of all Tranches in any Series, be grouped automatically for the defence of their common interests in a *masse* (in each case, the “**Masse**”) which will be subject to the below provisions of this Conditions 11(b).

The Masse will be governed by the provisions of the French *Code de commerce* with the exception of Articles L.228-48, L.228-59, L.228-71, R.228-63, R.228-67 and R.228-69 subject to the following provisions:

(i) **Legal Personality**

The Masse will be a separate legal entity and will act in part through a representative (the “**Representative**”) and in part through a general meeting of the Noteholders (the “**General Meeting**”).

The Masse alone, to the exclusion of all individual Noteholders, shall exercise the common rights, actions and benefits which now or in the future may accrue respectively with respect to the Notes.

(ii) **Representative**

The office of Representative may be conferred on a person of any nationality who agrees to perform such function. However, the following persons may not be chosen as Representatives:

- the Issuer, the members of its Board of Directors (*Conseil d’administration*), its general managers (*directeurs généraux*), its statutory auditors, or its employees as well as their ascendants, descendants and spouse; or
- companies guaranteeing all or part of the obligations of the Issuer, their respective managers (*gérants*), general managers (*directeurs généraux*), members of their Board of Directors (*Conseil d’administration*), Executive Board (*Directoire*), or Supervisory Board (*Conseil de Surveillance*), their statutory auditors, or employees as well as their ascendants, descendants and spouse; or

The Representative will be entitled to such remuneration in connection with its functions or duties as set out in the relevant Final Terms.

In the event of death, retirement or revocation of appointment of the initial Representative, such Representative will be replaced by its alternate. In the event of the death, retirement or revocation of appointment of the alternate Representative, an alternate will be elected by the General Meeting.

All interested parties will at all times have the right to obtain the names and addresses of the Representative and the alternate Representative at the head office of the Issuer and the specified offices of any of the Paying Agents.

(iii) **Powers of Representative**

The Representative shall (in the absence of any decision to the contrary of the General Meeting) have the power to take all acts of management necessary in order to defend the common interests of the Noteholders.

All legal proceedings against the Noteholders or initiated by them, must be brought by or against the Representative.

The Representative may not be involved in the management of the affairs of the Issuer.

(iv) **General Meeting**

A General Meeting may be held at any time, on convocation either by the Issuer or by the Representative. One or more Noteholders, holding together at least one-thirtieth of the principal amount of the Notes outstanding, may address to the Issuer and the Representative a demand for convocation of the General Meeting. If such General Meeting has not been convened within two months after such demand, the Noteholders may commission one of their members to petition a competent court in Paris to appoint an agent (*mandataire*) who will call the General Meeting.

respect to any other matter that relates to the common rights, actions and benefits which now or in the future may accrue with respect to the Notes, including authorising the Representative to act at law as plaintiff or defendant.

The General Meeting may further deliberate on any proposal relating to the modification of the Conditions including any proposal, whether for arbitration or settlement, relating to rights in controversy or which were the subject of judicial decisions, it being specified, however, that the General Meeting may not increase the liabilities (*charges*) of the Noteholders, nor establish any unequal treatment between the Noteholders, nor decide to convert Notes into shares.

General Meetings may deliberate validly on first convocation only if Noteholders present or represented hold at least a fifth of the principal amount of the Notes then outstanding. On second convocation, no quorum shall be required. Decisions at meetings shall be taken by a two-third majority of votes cast by Noteholders attending such General Meetings or represented thereat.

In accordance with Article R.228-71 of the French *Code de commerce*, the rights of each Noteholder to participate in General Meetings will be evidenced by the entries in the books of the relevant Account Holder of the name of such Noteholder on the third business day in Paris preceding the date set for the meeting of the relevant General Meeting at 0:00, Paris time.

(vii) **Expenses**

The Issuer will pay all expenses relating to the operation of the Masse, including expenses relating to the calling and holding of General Meetings and, more generally, all administrative expenses resolved upon by the General Meeting, it being expressly stipulated that no expenses may be imputed against interest payable under the Notes.

(c) **Single Masse**

The holders of Notes of the same Series, and the holders of Notes of any other Series which have been assimilated with the Notes of such first-mentioned Series in accordance with Condition 13, shall, for the defence of their respective common interests, be grouped in a single Masse. The Representative appointed in respect of the first Tranche of any Series of Notes will be the Representative of the single Masse of all such Series.

For the avoidance of doubt, in this Condition 11, the term “**outstanding**” shall not include those Notes subscribed or purchased by the Issuer pursuant to Article L.213-1 A of the Code that are held by it and not cancelled.

12 Replacement of definitive Notes, Coupons and Talons

If, in the case of any Materialised Notes, a Definitive Materialised Note, Coupon or Talon is lost, stolen, mutilated, defaced or destroyed, it may be replaced, subject to applicable laws, regulations and regulations of the Regulated Market on which the Notes are listed and admitted to trading, at the specified office of the Fiscal Agent or such other Paying Agent as may from time to time be designated by the Issuer for the purpose and notice of whose designation is given to Noteholders, in each case on payment by the claimant of the fees and costs incurred in connection therewith and on such terms as to evidence, security and indemnity (which may provide, *inter alia*, that if the allegedly lost, stolen or destroyed Definitive Materialised Note, Coupon or Talon is subsequently presented for payment or, as the case may be, for exchange for further Coupons, there shall be paid to the Issuer on demand the amount payable by the Issuer in respect of such Definitive Materialised Notes, Coupons or further Coupons) and otherwise as the Issuer may require. Mutilated or defaced Materialised Notes, Coupons or Talons must be surrendered before replacements will be issued.

13 Further Issues and Consolidation

- (a) **Further Issues:** The Issuer may from time to time without the consent of the Noteholders or Couponholders create and issue further notes to be assimilated (*assimilées*) and form a single series with the Notes provided such Notes and the further notes carry rights identical in all respects (or in all respects save for the principal amount thereof and the first payment of interest in the relevant Final Terms) and that the terms of such further notes provide for such assimilation and references in these Conditions to “**Notes**” shall be construed accordingly.
- (b) **Consolidation:** The Issuer may, with the prior approval of the Redenomination and Consolidation Agents, from time to time on any Interest Payment Date occurring on or after the Redenomination Date on giving not less than thirty (30) days’ prior notice to the Noteholders in accordance with Condition 14, without the consent of the Noteholders or Couponholders, consolidate the Notes of one Series with the Notes of one or more other Series issued by it, whether or not originally issued in one of the European national currencies or in Euro, provided such other Notes have been redenominated in Euro (if not originally denominated in Euro) and which otherwise have, in respect of all periods subsequent to such consolidation, the same terms and conditions as the Notes.

Temporary Global Certificates

A Temporary Global Certificate, without interest Coupons, will initially be issued in connection with Materialised Notes. Upon the initial deposit of such Temporary Global Certificate with a common depository for Euroclear and Clearstream, Luxembourg (the “**Common Depository**”), Euroclear or Clearstream, Luxembourg will credit the accounts of each subscriber with a nominal amount of Notes equal to the nominal amount thereof for which it has subscribed and paid.

The Common Depository may also credit with a nominal amount of Notes the accounts of subscribers with (if indicated in the relevant Final Terms) other clearing systems through direct or indirect accounts with Euroclear and Clearstream, Luxembourg held by such other clearing systems. Conversely, a nominal amount of Notes that is initially deposited with any other clearing system may similarly be credited to the accounts of subscribers with Euroclear, Clearstream, Luxembourg or other clearing systems.

Each Temporary Global Certificate issued in respect of Notes will be exchangeable, free of charge to the holder, on or after its Exchange Date (as defined below):

- (i) if the relevant Final Terms indicates that such Temporary Global Certificate is issued in compliance with the C Rules or in a transaction to which TEFRA is not applicable (as to which, see “General Description of the Programme - Selling Restrictions”), in whole, but not in part, for the Definitive Materialised Notes and

Business Overview

Casino is a multi-format retailer with a strong market position in the French retail sector and significant international operations. The Group’s operations now cover nine countries: France, Argentina, Uruguay, Brazil, Colombia, Thailand, Mauritius, Vietnam and Madagascar.

The Casino banner dates back to 1898, when Geoffroy Guichard created Société des Magasins du Casino and opened the first store in Veauche in central France. Just three years later, in 1901, the first Casino brand products were launched, thus pioneering the private-label concept.

The Group expanded rapidly until the eve of the Second World War, opening more than 500 stores in ten years. It initially focused on the Saint-Étienne and Clermont-Ferrand regions and during the 1930s expanded its reach down to the Côte d'Azur. In 1939, the Group managed nine warehouses, 20 plants and almost 2,500 retail stores.

In the 1950s, Casino embarked on a policy of diversifying its formats and its business activities. The first self-service store opened in 1948, the first Casino supermarket in 1960, the first Casino Cafétéria in 1967 and the first Géant hypermarket in 1970. Acquisition of L'Épargne in 1970 extended the Group's operations to south-western France.

At the end of the 1970s, Casino broke into the international markets, launching a chain of cafeterias in the United States and then acquiring 90 cash & carry stores under the Smart & Final banner in 1984.

The mid-1980s marked a turning point in the Group's expansion policy. It adopted a redeployment strategy aimed at achieving critical mass to improve its resilience in an increasingly competitive retail industry.

This strategy consisted first and foremost of expanding its operations in France and refocusing on its core business as a retailer. Between 1985 and 1996, it acquired control of two retail companies in eastern and southern France, Cédis and La Ruche Méridionale. It signed partnership agreements with the Corse Distribution Group and with Coopérateurs de Normandie-Picardie. In 1992, it took over Rallye's retail business comprising hypermarkets, supermarkets and cafeterias.

The Group also launched a programme to refurbish its hypermarkets and modernise its convenience store network, with the aim of repositioning both its corporate image and the image of its banners. Casino created Spar France in 1996 and acquired a stake in Monoprix-Prisunic in 1997. It also took a majority stake in the Franprix and Leader Price banners in 1997.

As a result of these developments, on the eve of the new millennium Casino had become France's third largest food retailer with about 12.9 per cent. market share³.

Leveraging its strong domestic position, the Group then decided to strengthen its international presence and embarked on an active international expansion policy.

From 1998 to 2002, it acquired a large number of retail companies in South America (Libertad in Argentina, Disco in Uruguay, Exito in Colombia, CBD in Brazil and Cativen in Venezuela), Asia (Big C in Thailand, Vindémia in Vietnam), the Netherlands (Laurus, now Super de Boer) and the Indian Ocean region (Vindémia in Reunion, Madagascar, Mayotte and Mauritius).

It also moved into Poland and Taiwan, opening its first Polish hypermarket in Warsaw in 1996 followed by a Leader Price store in 2000, and its first hypermarket in Taiwan in 1998.

Since 2000, Casino has strengthened its presence in France in the most buoyant formats and expanded in its most promising international markets.

In France, Casino has adapted its business mix to meet changing market trends, first by strengthening its positioning in convenience and discount formats through major acquisitions.

In 2000, it acquired a stake in online retailer Cdiscount and raised its interest in Monoprix to 50 per cent. In 2003, Casino and Galeries Lafayette renewed their partnership in Monoprix.

³ (Source: KantarWorld Panel (formerly TNS))

At the end of 2008, the strategic agreement between the two partners was extended until 2012. In 2004, the Group increased its interest in Franprix Holding to 95 per cent. and in Leader Price Holding to 75 per cent. Since 2009, it has owned 100 per cent. of both companies.

Secondly, Casino also began to develop other businesses connected with retailing, such as financial services and commercial real estate. In 2001, it joined forces with LaSer Cofinoga to create Banque du Groupe Casino. In July 2010, it signed a partnership agreement in financial products and services with Groupe Crédit Mutuel-CIC, which will increase its interest in Banque Casino to 50 per cent., with Casino owning the remaining 50 per cent. In 2005, the Group's shopping centre properties were spun off into a new subsidiary, Mercialis, which was floated on the stock exchange.

In the international markets, Casino began to refocus its business on two core regions, South America and Southeast Asia, to capitalise on their strong growth potential. From 2005 to 2007, the Group acquired joint control of the GPA Group in Brazil, and became majority shareholder of Exito in Colombia and Vindémia in the Indian Ocean region. In 2010, the partnership between GPA and Casas Bahia, a Brazilian non-food retailer, and Big C's acquisition of Carrefour Thailand (42 stores) significantly increased the Group's footprint in these two regions, which are the main pillars of its international development.

In 2006, Casino sold its Polish retailing businesses and its 50 per cent. interest in its Taiwanese subsidiary Far Eastern Géant, followed by its interest in Smart & Final in the USA in 2007. In 2009, Casino sold its 57 per cent. interest in Dutch retailer Super de Boer.

In 2010, the Venezuelan government ordered the nationalisation of Exito hypermarkets operating in Venezuela. The Bolivarian Republic of Venezuela acquired 80 per cent. of Cativen with casino retaining 20 per cent. to provide its operational support.

In 2011, Exito bought the shares of Casino in Disco and Devoto, Uruguayan subsidiaries of Casino. This reflects the Group's strategic ambitions in Hispanic Latin America.

Lastly, in 2012 Casino obtained control of GPA, a retailer in Brazil and the country's biggest private employer. It is now GPA's only controlling shareholder.

Successful perpetual hybrid bond issue of €750 million

Casino successfully launched an hybrid bond issue of 750 million euros.

The Notes have a perpetual maturity, with a first call date on January 31st, 2019 and will pay a coupon of 4.87% until this date, with a reset every 5 years thereafter.

The Notes will rank junior to all senior debt and will be recorded as equity (and coupons will be recorded as dividends) pursuant to IFRS. They will also receive an “intermediate” equity content from S&P and Fitch (50% of the Notes will be treated as equity).

The transaction has been very well received by a diversified investor base and benefited from a significant oversubscription.

The issue diversifies the sources of funding of the Group and further strengthens its capital structure.

Deutsche Bank and JP Morgan acted as Global Coordinators; Barclays, Citigroup, Deutsche Bank, JP Morgan, RBS, SGCIB and UBS investment bank acted as Joint Bookrunners.”

Casino enters into strategic partnership with Groupe Les coopérateurs de Normandie-Picardie

Casino Group has signed an agreement with Mutant Distribution, a subsidiary of Groupe Les Coopérateurs de Normandie-Picardie, concerning the acquisition by Leader Price of 47 Le Mutant discount stores located mainly in southwestern France, and the setup of a partnership with Leader Price through a brand licensing and supply contract covering around 90 similar stores in the Normandy and Picardy area. The stores are currently run under the discount format banner “Le Mutant”.

Those agreements are expected to take effect in the first quarter of 2014. They allow expanding Leader Price’s integrated network in the strategic southwest region and strengthening the attractiveness and presence of the Leader Price banner in Normandy and Picardy through the partnership with affiliates. The 47 stores targeted by the acquisition represented combined revenue of more than €100 million (incl. VAT) in 2012, with strong growth potential, while the future affiliate stores represented over €200 million in revenue (excl. VAT).

The partnership and new acquisition will continue to strengthen Casino’s presence in France’s discount segment, following its acquisition of 38 Norma stores in southeastern France on 31 July 2013.

The acquisition will be subject to the approval of France’s Competition Authority.”

TAXATION

EU TAXATION

The following is a description limited to certain tax considerations applicable under the laws of the European Union relating to the Notes that may be issued under the Programme. It does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Notes. Each prospective holder or beneficial owner of Notes should consult its tax advisor as to the tax consequences of any investment in or ownership and disposition of the Notes.

On 3 June 2003, the European Council of Economic and Finance Ministers adopted the Directive 2003/48/EC on the taxation of savings income (the “**Savings Directive**”). Pursuant to the Savings Directive and subject to a number of conditions being met, Member States are required, since 1 July 2005, to provide to the tax authorities of another Member State, *inter alia*, details of payments of interest within the meaning of the Savings Directive (interest, premiums or other debt income) made by a paying agent located within its jurisdiction to, or for the benefit of, an individual resident in that other Member State or to certain limited types of entities established in that other Member State (the “**Disclosure of Information Method**”).

For these purposes, the term “paying agent” is defined widely and includes in particular any economic operator who is responsible for making interest payments, within the meaning of the Savings Directive, for the immediate benefit of individuals.

However, throughout a transitional period, certain Member States (the Grand-Duchy of Luxembourg and Austria), instead of using the Disclosure of Information Method used by other Member States, unless the relevant beneficial owner of such payment elects for the Disclosure of Information Method, withhold an amount on interest payments. The rate of such withholding tax is 35 per cent. as from 1 July 2011 and until the end of the transitional period. In April 2013, the Luxembourg Government however announced its intention to abolish the withholding system with effect from 1 January 2015, in favour of the Disclosure of Information Method.

The transitional period will end at the end of the first full fiscal year following the later of (i) the date of entry into force of an agreement between the European Community, following a unanimous decision of the European Council, and the last of Switzerland, Liechtenstein, San Marino, Monaco and Andorra, providing for the exchange of information upon request as defined in the OECD Model Agreement on Exchange of Information on Tax Matters released on 18 April 2002 (the “**OECD Model Agreement**”) with respect to interest payments within the meaning of the Savings Directive, in addition to the simultaneous application by those same countries of a withholding tax on such payments at the rate applicable for the corresponding periods mentioned above and (ii) the date on which the European Council unanimously agrees that the United States of America is committed to exchange of information upon request as defined in the OECD Model Agreement with respect to interest payments within the meaning of the Savings Directive.

A number of non-EU countries and dependent or associated territories have agreed to adopt similar measures (transitional withholding or exchange of information) with effect since 1 July 2005.

On 13 November 2008 the European Commission published a detailed proposal for amendments to the Savings Directive, which included a number of suggested changes. The European Parliament approved an amended version of this proposal on 24 April 2009. If any of these proposed changes are made in relation to the Savings Directive they may amend or broaden the scope of the requirements described above.

LUXEMBOURG - TAXATION

The following is a description limited to certain tax considerations in Luxembourg relating to the Notes that may be issued under the Programme and specifically contains information on taxes on the income from the securities withheld at source. Each prospective holder or beneficial owner of Notes should consult its tax advisor as to the tax consequences of any investment in or ownership and disposition of the Notes.

Withholding tax

Under Luxembourg tax law currently in effect and with the possible exception of interest paid to individual Noteholders and to certain residual entities (as described below) there is no Luxembourg withholding tax on payments of interest, including accrued but unpaid interest. There is also no Luxembourg withholding tax, with the possible exception of payments made to individual Noteholders, and to certain residual entities (as described below) upon repayment of principal in case of reimbursement, redemption, repurchase or exchange of the Notes.

Individuals

Luxembourg non-residents

Under the Luxembourg laws dated 21 June 2005, as amended, (the “**Laws**”) implementing the Savings Directive and several agreements concluded between Luxembourg and certain dependent or associated territories of the European Union (“**EU**”), a Luxembourg based paying agent (within the meaning of the Laws) is required since 1 July 2005 to withhold tax on interest and other similar income paid by it to (or under certain circumstances, to the benefit of) an individual or certain “residual entities” resident or established in another Member State or in certain EU dependent or associated territories, unless the beneficiary of the interest payments elects for the exchange of information or, in the case of an individual beneficiary, the tax certificate procedure. “Residual entities” within the meaning of Article 4.2 of the Savings Directive are entities established in a Member State or in certain EU dependent or associated territories without legal personality (the Finnish and Swedish companies listed in Article 4.5 of the Savings Directive are not considered as legal persons for this purpose), whose profits are not taxed under the general arrangements for the business taxation, which are not and have not opted to be treated as UCITS recognised in accordance with Council Directive 85/611/EEC, as replaced by the European Council Directive 2009/65/EC or a similar collective investment fund located in Jersey, Guernsey, the Isle of Man, the Turks and Caicos Islands, the Cayman Islands, Montserrat or the British Virgin Islands.

The current withholding tax rate is 35 per cent. Responsibility for the 35 per cent. withholding tax will be assumed by the Luxembourg paying agent in which case Deutsche Bank Luxembourg S.A. would be the paying agent, therefore withholding tax will not be applicable unless the notes turn definitive and the conditions for the application of the withholding tax are met. The withholding tax system will only apply during a transitional period, the ending of which depends on the conclusion of certain agreements relating to information exchange with certain non EU countries.

The European Commission has proposed certain amendments to the Savings Directive, which may, if implemented, amend or broaden the scope of the requirements described above.

The Luxembourg government has announced its intention to elect out of the withholding system in favour of an automatic exchange of information with effect as from 1 January 2015.

Luxembourg residents

A 10 per cent. withholding tax is levied on interest payments made by Luxembourg paying agents (defined in the same way as in the Savings Directive) to Luxembourg individual residents or to certain residual entities that secure interest payments on behalf of such individuals (unless such entities have opted either to be treated as UCITS recognised in accordance with the Council Directive 85/611/EC, as replaced by the European Council Directive 2009/65/EC, or for the exchange of information regime).

Only interest accrued after 1 July 2005 falls within the scope of the withholding tax. Interest income from current and sight accounts (*comptes courants et à vue*) provided that the remuneration on these accounts is not higher than 0.75 per cent. are exempt from the withholding tax. Furthermore, interest which is accrued once a year on savings accounts (short and long term) and which does not exceed Euro 250 per person and per paying agent is exempt from the withholding tax.

Pursuant to the Luxembourg law of 23 December 2005, as amended by the law of 17 July 2008, on the introduction of a withholding tax on certain interest payments on savings income, Luxembourg resident individuals, acting in the course of

their private wealth, can opt to self-declare and pay a 10 per cent. tax on interest payments made after 31 December 2007 by paying agents (defined in the same way as in the Savings Directive) located in a Member State of the EU other than Luxembourg, a Member State of the European Economic Area other than an EU Member State or in a State or territory which has concluded an international agreement directly related to the Savings Directive.

The 10 per cent. withholding tax or the 10 per cent. self-declared tax represents the final tax liability for the Luxembourg individual resident taxpayers receiving the interest payment in the course of their private wealth.

Corporations

There is no Luxembourg withholding tax for Luxembourg resident and non-resident corporations holders of the Notes on payments of interest (including accrued but unpaid interest).

FRANCE – TAXATION

The following is a description limited to certain withholding tax considerations in France relating to the Notes that may be issued under the Programme to any Noteholder or Couponholder who does not currently hold shares of the Issuer. It does not purport to be a comprehensive description of all the tax considerations which may be relevant to a decision to purchase, own or dispose of the Notes. Each prospective holder or beneficial owner of Notes should consult its tax advisor as to the tax consequences of any investment in or ownership and disposition of the Notes.

The Savings Directive was implemented into French law under Article 242 *ter* of the French *Code Général des Impôts*, which imposes on paying agents based in France an obligation to report to the French tax authorities certain information with respect to interest payments made to beneficial owners domiciled in another Member State, including, among other things, the identity and address of the beneficial owner and a detailed list of the different categories of interest paid to that beneficial owner.

Notes issued as from 1 March 2010

Following the introduction of the French *loi de finances rectificative pour 2009 no. 3* (n° 2009-1674 dated 30 December 2009) (the “**Law**”), payments of interest and other revenues made by the Issuer with respect to Notes issued on or after 1 March 2010 (other than Notes (described below) which are assimilated (*assimilées*) and form a single series with Notes issued prior to 1 March 2010 having the benefit of Article 131 *quater* of the French *Code Général des Impôts*) will not be subject to the withholding tax set out under Article 125 A III of the French *Code Général des Impôts* unless such payments are made outside France in a non-cooperative State or territory (*Etat ou territoire non coopératif*) within the meaning of Article 238-0 A of the French *Code Général des Impôts* (a “**Non-Cooperative State**”). If such payments under the Notes are made in a Non-Cooperative State, a 75 per cent. withholding tax will be applicable (subject to certain exceptions and to the more favourable provisions of any applicable double tax treaty) by virtue of Article 125 A III of the French *Code Général des Impôts*.

Furthermore, interest and other revenues on such Notes are not deductible from the Issuer's taxable income if they are paid or accrued to persons domiciled or established in a Non-Cooperative State or paid in such a Non-Cooperative State. Under certain conditions, any such non-deductible interest and other revenues may be recharacterised as constructive dividends pursuant to Article 109 of the French *Code Général des Impôts*, in which case such non-deductible interest and other revenues may be subject to the withholding tax set out under Article 119 *bis* of the French *Code Général des Impôts*, at a rate of 30 per cent. or 75 per cent.

Notwithstanding the foregoing, the Law provides that neither the 75 per cent. withholding tax nor the non-deductibility will apply in respect of a particular issue of Notes if the Issuer can prove that the principal purpose and effect of such issue of Notes were not that of allowing the payments of interest or other revenues to be made in a Non-Cooperative State (the “**Exception**”). Pursuant to the *Bulletins officiels des Finances Publiques-Impôts*, BOI – RPPM – RCM – 30-10-20-50-20120912, BOI – INT – DG – 20-50-20120912, BOI – ANNEX – 000364 – 20120912 and BOI – ANNEX – 000366 -

20120912, an issue of Notes will benefit from the Exception without the Issuer having to provide any proof of the purpose and effect of such issue of Notes, if such Notes are:

(i) offered by means of a public offer within the meaning of Article L.411-1 of the French *Code monétaire et financier* or pursuant to an equivalent offer in a State other than a Non-cooperative State. For this purpose, an “equivalent offer” means any offer requiring the registration or submission of an offer document by or with a foreign securities market authority; or

(ii) admitted to trading on a regulated market or on a French or foreign multilateral securities trading system provided that such market or system is not located in a Non-Cooperative State, and the operation of such market is carried out by a market operator or an investment services provider, or by such other similar foreign entity, provided further that such market operator, investment services provider or entity is not located in a Non-Cooperative State; or

(iii) admitted, at the time of their issue, to the clearing operations of a central depository or of a securities clearing and delivery and payments systems operator within the meaning of Article L.561-2 of the French *Code monétaire et financier*, or of one or more similar foreign depositories or operators provided that such depository or operator is not located in a Non-Cooperative State be able to benefit from the Exception.

Pursuant to Article 9 of the 2013 Finance Law (*loi de finances pour 2013, n° 2012-1509 du 29 décembre 2012*) subject to certain limited exceptions, interest received as from 1 January 2013 by French tax resident individuals is subject to a 24% withholding tax, which is deductible from their personal income tax liability in respect of the year in which the payment has been made. Social contributions (CSG, CRDS and other related contributions) are also levied by way of withholding tax at an aggregate rate of 15.5% on interest paid to French tax resident individuals.

Notes which are assimilated (*assimilées*) with Notes issued before 1 March 2010

Payments of interest and other revenues with respect to Notes issued after 1 March 2010 and which are assimilated (*assimilées*) and form a single series with Notes issued before 1 March 2010 (and having the benefit of Article 131 quater of the French *Code Général des Impôts*), will continue to be exempt from the withholding tax set out under Article 125 A III of the French *Code Général des Impôts*.

Notes issued before 1 March 2010, whether denominated in Euro or in any other currency, and constituting *obligations* under French law, or *titres de créances négociables* within the meaning of the *Bulletin officiel des Finances Publiques-Impôts* (BOI – RPPM – RCM – 30-10-30-30-20120912) or other debt securities issued under French or foreign law and considered by the French tax authorities as falling into similar categories, are deemed to be issued outside the Republic of France for the purpose of Article 131 quater of the French *Code Général des Impôts*, in accordance with the aforementioned *Bulletin officiel des Finances Publiques-Impôts*.

In addition, interest and other revenues paid by the Issuer on Notes issued after 1 March 2010 and which are to be assimilated (*assimilées*) and form a single series with Notes issued before 1 March 2010 will not be subject to the withholding tax set out in Article 119 bis of the French *Code Général des Impôts* solely on account of their being paid in a Non-Cooperative State or accrued or paid to persons established or domiciled in a Non-Cooperative State. See “Terms and Conditions of the Notes – Taxation”.

SUBSCRIPTION AND SALE

Description of the Amended and Restated Dealer Agreement

Subject to the terms and on the conditions contained in an amended and restated dealer agreement dated 3 December 2013 (the “**Amended and Restated Dealer Agreement**”) between the Issuer, the Permanent Dealers and the Arranger, the Notes will be offered on a continuous basis by the Issuer to the Permanent Dealers. However, the Issuer has reserved the right to sell Notes directly on its own behalf to Dealers that are not Permanent Dealers. The identity of the Dealer(s) in respect of a specific Tranche will be disclosed in the relevant Final Terms. The Notes may be resold at prevailing market prices, or at prices related thereto, at the time of such resale, as determined by the relevant Dealer. The Notes may also be sold by the Issuer through the Dealers, acting as agents of the Issuer. The Amended and Restated Dealer Agreement also provides for Notes to be issued in syndicated Tranches that are jointly and severally underwritten by two or more Dealers.

The Issuer will pay each relevant Dealer a commission as agreed between them in respect of Notes subscribed by it. The Issuer has agreed to reimburse the Arranger for the expenses incurred in connection with the Programme and the Dealers for certain of their activities in connection with the Programme.

The Issuer has agreed to indemnify the Dealers against certain liabilities in connection with the offer and sale of the Notes. The Dealers have agreed to indemnify the Issuer against certain liabilities in connection with the offer and sale of the Notes. The Amended and Restated Dealer Agreement entitles the Dealers to terminate any agreement that they make to subscribe Notes in certain circumstances prior to payment for such Notes being made to the Issuer.

Selling Restrictions

France

Each of the Dealers has represented and agreed, and each further Dealer appointed under the Programme will be required to represent and agree, that it has not offered or sold and will not offer or sell, directly or indirectly, any Notes to the public in France and it has not distributed or caused to be distributed and will not distribute or cause to be distributed to the public in France, the Base Prospectus, the relevant Final Terms or any other offering material relating to the Notes and such offers, sales and distributions have been and will be made in France only to (a) persons providing investment services relating to portfolio management for the account of third parties (*personnes fournissant le service d'investissement de gestion de portefeuille pour compte de tiers*), and/or (b) qualified investors (*investisseurs qualifiés*) acting for their own account, and/or (c) to a closed circle of investors (*cercle restreint d'investisseurs*), as defined in, and in accordance with, Articles L.411-1, L.411-2, D.411-1 and D.411-4 of the French *Code monétaire et financier*.

The Notes have not been and will not be registered under the U.S. Securities Act of 1933 as amended (the “**Securities Act**”), or other securities laws of any U.S. state and may not be offered or sold, directly or indirectly, within the United States or to, or for the account or benefit of, any U.S. persons except in certain transactions exempt from, or not subject to, the registration requirements of the Securities Act and applicable state securities laws. The Notes are being offered and sold only outside of the United States in reliance on Regulation S under the Securities Act (“**Regulation S**”). Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Materialised Notes having a maturity of more than one year are subject to U.S. tax law requirements and may not be offered, sold or delivered within the United States or its possessions or to a United States person, except in certain transactions permitted by U.S. tax regulations. Terms used above have the meanings given to them by Regulation S.”*

In addition, until forty (40) days after the commencement of the offering, an offer or sale of Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an available exemption from registration under the Securities Act.

This Base Prospectus has been prepared by the Issuer for use in connection with the offer and sale of the Notes outside the United States. Each Dealer has agreed that it will, to the best of its knowledge, comply with all relevant laws, regulations and directives in each jurisdiction in which it purchases, offers, sells or delivers Notes or has in its possession or distributes the Base Prospectus, any other offering material or any Final Terms and neither the Issuer nor any other Dealer shall have responsibility therefore.
