

## Additional information regarding the termination of a guarantee in favor of GPA

The accelerated safeguard plan of Casino Guichard-Perrachon approved by the Paris Commercial Court on February 26, 2024, has terminated the uncapped guarantee granted by Casino for the benefit of Companhia Brasileira de Distribuição (GPA). This guarantee had provided for an indemnification undertaking by Casino in favor of GPA for any losses that might result from the implementation of the amortization structure of the goodwill arising from the acquisition by Casino of GPA shares.

On May 6, 2025, GPA announced via a press release that it had submitted a request for arbitration to the ICC International Court of Arbitration in order to preserve its rights under the aforementioned guarantee granted by Casino.

As stated in its Universal Registration Document, Casino recalls that, pursuant to its accelerated safeguard plan, the guarantee granted to GPA is no longer in force. Consequently, Casino will take all necessary measures to assert its rights. At this stage, Casino has not been contacted by the ICC.
